I. SCHOOL MISSION

MISSION

The mission of Freire Charter School is to provide a college-preparatory learning experience with a focus on individual freedom, critical thinking, and problem solving in an environment that emphasizes the values of community, teamwork, equity, and commitment to peace.

VISION

Freire Charter School is the power to build your future.

We can offer your child all of the tools needed for a bright future, but ultimately this success depends on your child taking full advantage of these tools himself or herself.

SHARED VALUES

Freire's core values are: safety, love, professionalism, integrity, accountability and excellence. Our value statement reads as follows:

We, as a team of educational leaders, value the opportunity to serve as agents for effective change through collaborative efforts at providing quality education that empowers students with an expansive array of avenues and opportunities for success. We value a school in which all community members learn and feel safe – safe from physical harm and safe to take risks in education.

The values and policies of Freire Charter School are explained in detail through the Student & Family Handbook. All members of the Freire community are bound to the values, policies, and procedures found herein.

II. GENERAL INFORMATION

Ten Things You Need to Know About Freire Charter School

1. **Freire Charter High School serves any and all 9th - 12th grade students in the City of Philadelphia.** Where there are too many students and not enough spaces, Freire uses a random lottery system to determine enrollment. We do not discriminate in admissions based on race, gender, creed, sexual orientation, academic ability – or anything whatsoever.
2. **The students who succeed at Freire are the ones who take action to help themselves.** Students who see a bright future for themselves are willing to do whatever it takes (i.e. long nights of homework, studying on the weekends, going to the library on a sunny day) to get the best education available.
3. **We mean what we say at Freire.** Perhaps other schools tell you that if you break their Code of Conduct there will be consequences. Then, when it comes right down to it, many of these schools do not enforce their rules. At Freire, we enforce everything we say. Honestly. We do what we say we are going to do, and we expect you to do the same.
4. **We are a nonviolent and peaceful school.** We strive every day to be a nonviolent school, because we believe that the absence of violence and a universally held commitment to peace will enable the

conditions required for deep and meaningful learning for everyone. As a result, acts of physical violence of any kind are not tolerated, and may result in a formal hearing with potential recommendation for expulsion to the school's Board of Directors.

5. **Freire Charter School is for students who plan to go to college.** Do not send your child to Freire if college is not in the future plan. Your sons and daughters will not be happy at Freire if they want to do something other than college after high school.
6. **Remaining a student at Freire takes hard work, courage, honesty, and constant determination every day.** Getting into Freire means getting a space through our lottery. That's the easy part. The hard part is staying at Freire. We guarantee there will be challenges at Freire, and we will ask community members to do things they think are beyond their abilities. Those who succeed at Freire are the ones who never stop trying, and who are willing to work as hard as it takes to achieve excellence. No excuses.
7. **Freire teachers and staff are some of the most talented, dedicated, and caring in the country.** These professionals come to Freire to serve students and families to the best extent ever imagined in a school.
8. **Parents/Guardians must be involved and must participate in their child's education with us as equal partners.** We will expect and demand this of all our families. Freire students need support, family involvement and encouragement every step of the way through high school.
9. **Learning at Freire is rigorous and joyous, challenging and exciting.** Learning happens everywhere – in classrooms, on school trips, at internships, on athletic fields, using the internet, planning school dances, eating healthy food before school, and doing homework at night.
10. **Freire is a place to take risks, dream big, and then work hard every day to meet those dreams head on.** We strive for excellence in our community every minute of every day. Freire is a school for those who want to do and be their best all the time.

III. STUDENT CONDUCT AND FREIRE POLICIES

BOARD POLICY 201: CODE OF CONDUCT

PURPOSE OF THE CODE OF CONDUCT AT FCS

We believe that it is important for FCS to set forth the expectations of all community members. This Code of Conduct is designed to support FCS’s mission and provide a college-preparatory learning environment with a focus on the individual avenues of problem solving, freedom, and critical thinking, as well as the collective values of nonviolence, safety, community, and teamwork.

CODE OF CONDUCT GUIDING PRINCIPLE

As an educational institution we recognize that it is our responsibility to educate students regarding nonviolence and the Code in general. Our practice is based upon the belief that as students progress from one grade to the next they become more responsible for the rules and gain a greater capacity for independent decision making.

EXPECTATIONS OF STUDENTS

Freire Charter School will provide our students with skills that they need for the future. The teachers, counselors, administrators, and custodial staff at Freire are dedicated to the education and well-being of our students. In turn, Freire expects and requires all students to show respect and care for the staff, volunteers, visitors, the building, each other, and people of all cultures represented in the school. Freire also expects students to take care of the property within the school and in the community as defined below.

DEFINITIONS

Student: A person enrolled in Freire Charter School.

Parent/Guardian: The official caregiver of a minor child, including but not limited to mother, father, stepparent, grandparent or court-appointed guardian, including DHS workers and/or group home employees as identified at time of admission or amended in writing thereafter; or an emancipated minor (of which proof is required).

Staff: Any person employed by, or volunteering at, Freire Charter School.

Community Member: Any Freire Charter School student, parent, staff member, mentor, board member, volunteer, neighbor, or any other person a student may encounter while on school grounds (defined below). These integral parts join together to create a special community.

School setting: School setting means (1) in school; (2) on school grounds; (3) in school vehicles; (4) at designated bus stops; (5) at activities sponsored, supervised or sanctioned by Freire (e.g. field trips, sporting events, events where students are representing Freire Charter School); or (6) in any other circumstance or location (on or away from school property) where Freire has jurisdiction over a student's conduct.

Intervention: A consequence assigned by the school as a result of a violation of the Code of Conduct. Repeated violations of the Code of Conduct will result in more severe interventions. Students who do not respond to repeated interventions and continue to behave in ways that violate the Code of Conduct and challenge the expectations of the community may be asked to leave the community.

Mediation program: A conflict resolution program where trained students and staff guide individuals who are in conflict toward a peaceful resolution. Every student has the opportunity to participate in mediation when there is a conflict with another community member so that the conflict can be resolved in a constructive, nonviolent manner. Mediation is to be used in a proactive manner **PRIOR** to an infraction of the Code of Conduct, not as a result of an infraction of the Code of Conduct.

Emotional Support Team: A team of trained mental health professionals, which may include social workers and master's degree level interns, that the school uses to provide services to students and families. Any student/family referred by Freire to participate in family therapy is encouraged to do so. Family therapy is provided free of charge and is a very important part of building and strengthening our community. In certain cases, mandatory meetings with a member of the emotional support team may be assigned by the school as a behavioral intervention.

DELEGATION OF AUTHORITY

The Board authorizes school administration to develop procedures to implement this Policy, setting specific behavioral expectations and outlining interventions and consequences.

CORPORAL PUNISHMENT POLICY

The physical punishment of students for infractions of the discipline policy is strictly prohibited.

Teachers and school authorities may use reasonable force under the following circumstances:

- To quell a disturbance
- To obtain possession of weapons or other dangerous objects
- In protection of persons or property, or for the purpose of self-defense

BOARD POLICY 205: REPORTING, RETALIATION, AND SAFETY

REPORTING A FREIRE COMMUNITY MEMBER

Any member of the public or school community may report another community member for violating the Code of Conduct. Students have the responsibility to inform a staff member if they become aware that a fellow student is in possession of illegal substances, firearms, weapons, or any items that could endanger the health, safety, or welfare of the school community or property. The Dean's Office will follow up on all reports.

RETALIATION

It is the policy of Freire Charter School that a positive, open environment be maintained at all times. Therefore, the school encourages all community members to report problems or concerns **without fear of retaliation or reprisal**. All reports will be promptly investigated. Freire is committed to doing whatever is necessary to protect students from retaliation resulting from a concern or complaint. Should the school determine that retaliation has indeed occurred, or that a community member is planning retaliatory action, disciplinary steps will be taken. The consequences could include any of the following:

- Community service
- Written apology
- Suspension
- Informal hearing
- Recommendation for expulsion
- Police notification

SEARCH AND SEIZURE

Freire Charter School reserves the right to search students and their belongings and/or lockers to find weapons, drugs, stolen property, and other contraband. In addition, students may be asked to empty pockets, purses, etc. If a student is found in possession of items that are illegal, the student will be charged with the appropriate school offense, and the Philadelphia Police Department will be notified; the student may be held for the police, and charges may be filed. Any student who refuses to cooperate with school authorities is subject to expulsion from Freire. All searches of a student's locker, belongings, or person will be done with at least two Freire staff members present.

ACT 26

Act 26 of 1995 (the Safe Schools Act) creates a mandatory one-year expulsion for the possession of weapons on school property, including school-sponsored events. It requires parents to provide a sworn statement upon registering their child in school as to whether the child had previously been suspended or expelled from another school. Act 26 also requires schools to maintain records on acts of violence and weapon possession and to forward student discipline records when a student transfers to another school.

Act 26 defines the term weapon as "including but not limited to, any knife, cutting instrument, cutting tool, nunchaku, firearm, shotgun, rifle, and any other tool, or instrument capable of inflicting serious bodily injury." The law requires action for documented cases of weapon possession in school or while traveling to and from any school or school program, including while on public transportation or school buses.

A student found in possession of a weapon will be considered in violation of the Code of Conduct and will be recommended for expulsion.

EXPECTATION ON CONDUCT OF FRIENDS AND/OR FAMILY

Students who bring outside guests to any school-sponsored function will be held accountable for their guests' behavior as if it were the student's own behavior.

BOARD POLICY 202C: FORMAL HEARINGS/EXPULSIONS

If a student is recommended for expulsion as a consequence of their actions, they have the right to a formal expulsion hearing. This hearing must commence within 15 days of formal charges (unless mutually agreed upon by both parties). Special Education students have additional rights as described below in the Policy on Discipline of Students with Disabilities.

- A formal hearing is **REQUIRED** in all expulsion actions.
- An expulsion hearing will be arranged and notification of the charges, all evidence, and the rights or students/parents shall be sent to the student's parents or guardians at least 3 days prior to the hearing. All information will be sent via regular and certified mail.
- The hearing will commence on the agreed upon date with an independent Fact Finder presiding over the hearing.
- The school will present evidence, statements, and its case, giving the parent and student a chance to view all information.
- Parents and students will be given the opportunity to question witnesses and present their own information.
- The hearing shall be held in private unless the student or parent requests a public hearing.
- The Fact Finder will write a summation of facts that will be presented at the following Board Meeting.
- Only the Board of Directors, through a majority vote of the entire board, can determine whether a student will be expelled.
- Notice of a right to appeal the results of the hearing shall be provided to the student with the expulsion decision.

PARENT AND STUDENT RIGHTS

- In a case involving a possible expulsion, the student is entitled to a formal hearing.
- A formal hearing is required in all expulsion actions.
- This hearing will be conducted by an impartial Fact Finder.
- The Board of Directors is given a summation of facts by the Fact Finder and a majority vote of the entire governing board is required to expel a student.
- The following due process requirements shall be observed with regard to the formal hearing:
 - Notification of the charges shall be sent to the student's parents or guardians by certified mail.
 - At least 3 days' notice of the time and place of the hearing shall be given. A copy of the expulsion policy, notice that legal counsel may represent the student, and hearing procedures shall be included with the hearing notice. A student may request the rescheduling of the hearing when the student demonstrates good cause for an extension. Otherwise the hearing will proceed as scheduled.
 - The hearing shall be held in private unless the student or parent requests a public hearing.
 - The student may be represented by counsel, at the expense of the parents or guardians, and must have the parent or guardians (as identified in the PowerSchool database) attend the hearing.
 - The student has the right to be presented with the names of witnesses against the student, and copies of the statements and affidavits of those witnesses.
 - The student has the right to request that the witnesses appear in person and answer questions or be cross-examined.
 - The student has the right to testify and present witnesses on his/her own behalf.

- A written or audio record shall be kept of the hearing. The student is entitled, at the student's expense, to a copy. A copy shall be provided at no cost to a student who is indigent.
- The proceeding shall be held within 15 school days of the notification of charges, unless mutually agreed to by both parties. A hearing may be delayed for any of the following reasons, in which case the hearing shall be held as soon as reasonably possible:
 - Laboratory reports are needed from law enforcement agencies.
 - Evaluations or other court or administrative proceedings are pending due to a student invoking his/her rights under the Individuals with Disabilities Education Act (20 U.S.C. § 1400—1482).
- Notice of a right to appeal the results of the hearing shall be provided to the student with the expulsion decision.
- The initial responsibility for providing the required education rests with the student's parents or guardian, through placement in another school, tutorial or correspondence study, or another educational program approved by the district's superintendent. Parents have 5 days to find the appropriate placement and notify the school.

PARENTS RIGHT TO WITHDRAWAL

Freire Charter School is a school of choice for families. Parents may choose to voluntarily withdraw their child from the school at any time for any reason. The School cannot formally expel a student who is no longer enrolled at Freire. Should a parent choose to withdraw their child from Freire prior to potentially being expelled, any remaining procedures related to expulsion will cease. The student's academic record will reflect the withdrawal, not an expulsion. If a parent decides to withdraw their student, they must submit an Official Withdrawal Form.

BOARD POLICY 202D: DISCIPLINE OF STUDENTS WITH DISABILITIES

Freire Charter School will develop and implement positive Behavior Support Plans and programs for students with disabilities who require specific interventions to address behaviors that interfere with learning.

Students with disabilities who violate the Code of Conduct, or engage in inappropriate behavior, disruptive or prohibited activities and/or actions injurious to themselves or others, which would typically result in corrective action or discipline of students without disabilities, will be disciplined in accordance with requirements of the Individuals with Disabilities in Education Act (IDEA), its implementing state and federal laws and regulations and school policy.

SUSPENSION FROM SCHOOL

A student with a disability may be suspended for up to ten (10) consecutive and fifteen (15) cumulative days of school per school year, for the same reasons and duration as a student without a disability. Such suspension shall not constitute a change in the student's educational placement.

CHANGES IN EDUCATIONAL PLACEMENT/MANIFESTATION DETERMINATIONS

A manifestation determination is required by IDEA (2004) when considering the exclusion of a student with a disability that constitutes a disciplinary change of placement.

In certain circumstances, students who have not been determined to be eligible for special education may assert the protections of IDEA 2004 if Freire had "knowledge" that the student was a student with a disability before the occurrence of the behavior that precipitated a disciplinary action. Freire will be deemed to have knowledge if: (1) the parent/guardian of the student expressed a concern in writing (unless the parent/guardian is illiterate or has a disability that prevents compliance with the requirements contained in this provision) to Freire that the student is in need of special education and related services; (2) the parent/guardian of the student has requested an evaluation of the student; or (3) the teacher of the student, or other Freire personnel, expressed a specific concern about the behavior or performance of the student to the director of special education or other supervisory personnel at Freire.

DISCIPLINARY CHANGE OF PLACEMENT

A disciplinary change of placement occurs when a student who is receiving special education services is excluded from school:

- For more than ten (10) school days in a row,
- For more than fifteen (15) school days in any one school year,
- When days 11-15 constitute a pattern of exclusion, OR
- When a series of removals constitutes a pattern, through consideration of factors such as the length of each removal, the total amount of time the student is removed, and the proximity of the removals to one another;
OR
- For any length of time for a student with an intellectual disability*.

*For students with intellectual disability, any disciplinary suspension or expulsion is a change in educational placement and may not be made without parental consent or judicial approval.

The School may remove a student to an interim alternative educational setting for no more than forty-five (45) school days without a manifestation determination review under the following circumstances, and where the underlying conduct is at school, on school premises, or to or at a school function under the jurisdiction of Freire:

- Carrying or possessing a weapon
- Knowingly possessing, using, selling or soliciting illicit substances
- Inflicting serious bodily injury upon another person

In addition, a student with a disability may be removed to an appropriate interim alternative educational setting for not more than 45 school days if a hearing officer orders the change in placement after determining that maintaining the current placement of the student is substantially likely to result in injury to the student or to others.

On the date a decision is made to make a removal that constitutes a change of placement due to a violation of the Code of Conduct, Freire will notify the parent/guardian(s) of that decision and provide procedural safeguards to the family. A student with a disability who is removed from the child's current placement shall continue to receive educational services so as to enable the child to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP (with services as determined by the Child's IEP team); and shall receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

Note: IDEA 2004 does not prohibit Freire from reporting a crime committed by a student with a disability to appropriate authorities, nor does it prevent state law enforcement and judicial authorities from exercising their responsibilities with regard to the application of federal and state law to crimes committed by a student with a disabilities. Any such reports made by Freire shall comply with IDEA 2004, the Memorandum of Understanding between Freire and the Philadelphia Police Department and Pennsylvania Department of Education Guidance.

MANIFESTATION DETERMINATION PROCESS

Within ten (10) school days of the decision to change the student's placement, the parent/guardian and members of the students' IEP team shall conduct a Manifestation Determination meeting to answer the following questions:

1. Was the behavior caused by, or directly and substantially related to, the student's disability; OR
2. Was the behavior a direct result of the failure to implement the IEP?

If the behavior is a manifestation of the student's disability, the IEP team will take one of the following actions:

- Conduct a Functional Behavioral Assessment (FBA), unless one was already conducted prior to the change of placement occurring, and implement a positive Behavior Support Plan for the student; OR
- If a positive Behavior Support Plan has already been developed, review and modify it as necessary to address the behavior; and return the student to the placement from which they were removed, unless the parent/guardian and IEP team agree to a change of placement as part of the positive Behavior Support Plan.

If the behavior is not a manifestation of the student’s disability:

- The student may be disciplined in accordance with school policy, rules, and regulations in the same manner and to the same extent as students without disabilities.

BOARD POLICY 203: NONVIOLENCE AND COMMITMENT TO PEACE

VISION

AN ABSENCE OF VIOLENCE AND A COMMITMENT TO PEACE ENABLE THE CONDITIONS REQUIRED FOR DEEP AND MEANINGFUL LEARNING FOR US ALL.

PURPOSE

The Board recognizes the importance of the concepts of nonviolence and a commitment to peace in the educational program, and strives to offer all students an educational environment free from violence. Violence of any kind deprives students and staff of a safe environment for learning. This policy is designed to preserve the unique history of the formation of Freire’s nonviolence requirements and to outline how nonviolence and a commitment to peace interacts with other Board policies.

If the Board determines that this policy or any related procedures have caused undue harm to the Freire community, the Board will take appropriate corrective action to ensure that the policy remains responsive to community needs, and adequately protects students from undue bias or prejudice of any kind. In addition, the Board’s commitment is to provide sufficient opportunities for students to learn to de-escalate conflict and use conflict productively. We do so by teaching students and all members of the school community to communicate effectively and respectfully, in a way that honors self-expression, preserves respect for others, and, consequently, avoids violence.

HISTORY

Nonviolence has come to be a way of life inside Freire Charter School, driven in large part by the students themselves. When Freire first opened in 1999, students openly told stories of their experiences at previous schools. These stories were raw tales of the violence experienced at the hands of fellow students and even from teachers, and were filled with feelings of horror and fear. In the wake of these stories the students expressed the hope that Freire would be different, and would be a place where teachers could safely teach and students could securely learn.

During that first year, Freire students worked weekly with the school leadership to build the core elements of what Freire would one day later become. Students and staff committed to the values of non-violence and high academic achievement. At the end of the 1999-2000 school year, Freire students and school leadership created and approved the first version of Freire’s Nonviolence Policy. Students, staff, and parents may look to this Policy as evidence that Freire is committed to safety and that all community members are bound together in trust and mutual respect.

As part of our Commitment to Antiracist Action, the Freire Schools network went back to revisit the Code of Conduct and ensure equity, student voice, and fairness for all. Over the past three years, Freire Schools conducted a study of our nonviolence policy during which a group of Freire students, culture leaders, administration, and professional researchers interviewed students, families, staff, Board members, and alumni about how safe Freire Schools campuses feel, how safety compares to previous years, and how our culture compares to other schools. We learned the following: (1) our community does not want us to compromise our commitment to school safety, (2) we need to increase our efforts to prevent violence, including increasing visibility of our available student supports, and (3) we need to better define

violence and communicate this clearly and frequently. This document reflects changes that came out of this study, and is one of the ways we communicate our definition of physical violence and our expectation that physical violence will not be tolerated under any circumstance. Our Freire community stands firm today in our value to preserve a safe, peaceful environment in which all of us can take risks, learn, and thrive.

DEFINITIONS

Code of Conduct means the policies, procedures, rules and regulations of Freire Charter School governing the conduct of all students during the time they are under the jurisdiction of the school. Student disciplinary procedures are set forth in the Board Policy 201: Code of Conduct and Board Policy 202: Suspension and Expulsion.

School Setting means: (1) in school; (2) on school grounds; (3) in school vehicles; (4) at designated bus stops; (5) at activities sponsored, supervised or sanctioned by Freire (e.g. field trips, sporting events, events where students are representing Freire Charter School); or (6) in any other circumstance or location (on or away from school property) where Freire has jurisdiction over a student's conduct.

GUIDELINES

1. Freire students shall conduct themselves at all times in a manner that reflects a commitment to nonviolence. Students are expected to:
 - a. Act in a manner that affords all other students the opportunity to learn which is physically safe and free from distractions.
 - b. Admit mistakes, and take increased responsibility for their own learning and social actions.
 - c. Respect self and all others, and respect individual differences.
 - d. Behave appropriately while in school, on field trips, and in any forum where the student is representing the Freire community.
 - e. Avoid hurtful language.
 - f. Use appropriate channels to express concerns, fears, or complaints.
2. Physical violence occurs when an individual student harms, attempts to harm, or threatens another individual via physical force. It is a deliberate act. Examples include, but are not limited to:
 - a. Any type of striking or grabbing by one student or another person (punching, biting, kicking, hair pulling, etc.)
 - b. Fighting another student or in group of students, including joining a fight
 - c. Serious threat to cause harm to another via social media or other serious verbal intimidation.
 - d. Throwing objects
 - e. Structural violence such as the physical destruction of property that causes any function of the school to be temporarily suspended
 - f. Weapons possession
 - g. Sexual assault, as defined in Board Policy 117: Title IX Policy
3. Freire defines other types of violence as the harm or intent to cause harm in a non-physical way (e.g. mental or emotional). Examples include but are not limited to:
 - a. Invading an individual's personal space
 - b. Recklessly endangering other students, staff, or community members

- c. Verbal intimidation or threats, including threatening to bring another individual to fight someone, or arranging for a non-student or non-community member to engage in harassment of another student (including threats made by text, video, or using any type of social networking site/app)
 - d. Abusive or derogatory language
 - e. Bullying, as defined in Board Policy 204: Anti-Bullying
 - f. Hazing, as defined Board Policy 214: Anti-Hazing
 - g. Unlawful harassment, as defined in Board Policy 115: Harassment
4. When Freire students are in a School Setting, the Code of Conduct and the procedures and timelines set forth therein shall apply. When a student engages in conduct that is prohibited in this Policy, it shall constitute a violation of the Code of Conduct. Violations may result in disciplinary consequences up to and including a recommendation that a student be expelled from Freire.
- a. Unless leadership determines that there are extenuating circumstances requiring a different result, the disciplinary consequence for students who engage in physical violence (defined above) shall be referral for a formal expulsion hearing unless that student is protected under IDEA (34 CFR §300.530(d)(4)).
 - b. Acts of violence where the intent is not to cause physical harm (defined above) may lead to a formal hearing. The school administration will evaluate the situation on a case by case basis and determine disciplinary consequences.
5. Nothing in this Policy shall be construed to abridge student rights to due process, including procedural and substantive rights, that are granted by law or another Freire Charter School policy.
6. Some acts of violence, including those listed above, may also constitute violations of the law of the Commonwealth of Pennsylvania. In those instances, law enforcement may be contacted by the school.
7. Freire shall utilize restorative practices that respond to acts of violence, and shall also offer pro-active supports to students to prevent violence and respond to it. Supports may include orientation for new students, peer mediation programs, instruction in conflict resolution, connecting students and families with community resources such as family therapy and counseling, restorative circles, and other programs.

DELEGATION OF RESPONSIBILITY

- 1. The Board authorizes school administration to develop procedures to implement this Policy.
- 2. The Board directs school administration to develop and issue a “Nonviolence and Commitment to Peace” acknowledgement of this Policy and which shall be included in the Student & Family Handbook signed by all Freire students and parents/guardians.
- 3. The Board authorizes school administration to develop a comprehensive system of supports to prevent violence at Freire Charter School and to encourage and maintain a positive, peaceful school climate.

Chart of Possible Consequences (Consequences are determined on a case-by-case basis as stated above, and subject to any applicable protective procedures under the IDEA as set forth in law or school policy)

Act	Likely Consequence
Unprovoked physical harm	Informal hearing leading to a formal hearing leading to board vote on expulsion

Provoked physical harm	Informal hearing leading to a formal hearing leading to board vote on expulsion
Direct threat to cause physical harm on-line	Informal hearing which may lead to formal hearing which may lead to board vote on expulsion
Volatile/aggressive behavior intended to intimidate or escalate a situation (examples include yelling, flipping a desk or chair, punching a wall, throwing objects)	Informal hearing which may lead to formal hearing which may lead to board vote on expulsion
Retaliation in legitimate self-defense (e.g. fighting back)	Informal hearing which may lead to formal hearing which may lead to board vote on expulsion
Verbal abuse/bullying with physical threat over social media/text/or otherwise	Informal hearing which may lead to formal hearing which may lead to board vote on expulsion
Verbal abuse/bullying without physical threat over social media/text/or otherwise	Informal hearing which may lead to formal hearing which may lead to board vote on expulsion
Bringing a weapon to school (gun, knife, etc.)	Informal hearing leading to a formal hearing leading to board vote on expulsion
Bringing a pellet gun, cap gun, or water gun to school	Informal hearing which may lead to formal hearing which may lead to board vote on expulsion
Bringing outside people (including relatives of any kind) to the school to fight	Informal hearing leading to a formal hearing leading to board vote on expulsion
Threats to bring outsiders (including relatives of any kind) to the school to fight	Informal hearing which may lead to formal hearing which may lead to board vote on expulsion
Blatant disrespect to others	Informal hearing which may lead to formal hearing which may lead to board vote on expulsion

NOTE 1: Your job as a student/member of this community is to use every resource you have NOT TO GET INVOLVED in a fight or any of the above.

NOTE 2: The behaviors listed above are not permitted in any way nor anywhere nor to anyone. In other words, these acts are not only not permitted on school property, they are not permitted anywhere or against anyone.

PROCEDURE 201A: GENERAL BEHAVIORAL EXPECTATIONS

ALWAYS BE KIND AND RESPECTFUL

Creating and maintaining a good relationship with the entire surrounding community both inside and outside of the school grounds is an important goal of our school.

The following actions conflict with our expectations and are unacceptable:

- Sexual activity or public displays of affection.
- Loitering on the street corners or sitting on the steps of surrounding buildings.

- Making excessive noise when entering the building or leaving the building.
- The use of profanity (cursing) anywhere inside or out of the building.
- Interrupting the learning environment.
- Speaking to or treating any community member in a rude/disrespectful manner.
- Using local businesses as places to hang out, or gathering inside stores, restaurants or local businesses before or after school.

GROUNDS KEPT CLEAN AND NEAT

The following actions conflict with our expectations and are unacceptable:

- Littering anywhere near the school grounds – inside or outside.
- Eating or drinking in any area except the designated areas. Food items are permitted only in the lunchroom, during advisory, and the first period of the day.
- Possession of a glass bottle.

ON TIME AND READY TO LEARN

The following actions conflict with our expectations and are unacceptable:

- Using school telephones without permission.
- Roaming the building without a pass.
- Disrupting the learning environment in any way.
- Playing cards or dice, or gambling in any way.
- Being tardy to class.

SAFETY FIRST

The following actions conflict with our expectations and are unacceptable:

- Horseplay or play fighting, inside or outside of school. Horseplay and play fighting are defined as rough, noisy, unruly, or rowdy play that may or may not involve physical contact.
- Running down the stairs or hallways in the school, around school, and outside of the school.
- Throwing objects anywhere in the building (extreme circumstances could lead to recommendation for expulsion).
- Speaking to any community member in a way that makes them feel unsafe or violated. (Extreme circumstances may lead to a suspension and/or recommendation for expulsion).
- Tampering in any way with school building systems or equipment (such as fire alarms or fire extinguishers).
- Being in areas of the buildings before or after school without the permission and presence of a staff member.

BOARD POLICY 201B: INTERVENTIONS

The Board grants the Head of School authority to develop a program of consequences and interventions for violating the Code of Conduct. In the event of potential violations of the Nonviolence and Commitment to Peace Policy, Policy Against Bullying and Cyberbullying, Sexual Harassment and Sexual Assault Policy, or other serious infractions, students shall be afforded all rights defined by 22 Pa. Code Chapter 12.

FIRST LEVEL INTERVENTIONS

If a student chooses to act in an unacceptable way, the Dean's office will assign a consequence for the student's actions. **Each intervention is meant to be used as a warning that the student's behavior is unacceptable and therefore should NOT BE REPEATED. Repeated or excessive violation of the same rule will result in more severe consequences.**

The following is a list of interventions which may be used by the Dean. This is not an exhaustive list, but rather a sample of the interventions the Dean may use:

- Anger management
- Apology letter
- Community outreach/service
- Behavior contract
- Probationary contract
- Detention
- Saturday school
- Educational Seminars
- Hours outside of school time
- Informal Hearing
- Losing privileges to attend school functions
- Loss of privilege to go out at lunch
- Parent conference (phone or personal)
- Personalized Improvement Plan (PIP)
- Public apology (written or verbal)
- Research project
- Support groups
- Teacher/Student Conference
- Teacher detention
- Therapy

A student whose behavior does not change or intensifies will be subject to interventions of increased severity. All students and parents will receive a warning notification if unacceptable behavior continues, or the frequency of that behavior increases. Depending on the severity of the infraction, a student could end up in one, or more of the following tiers of consequences:

1. Lunch Detention
2. After School Detention
3. Morning Detention
4. Family Meeting
5. In-School Suspension
6. Suspension

IN-SCHOOL SUSPENSION

An in-school suspension (ISS) may be enforced in cases including, but not limited to, when the student skips or misses multiple morning or lunch detentions. The Head of School and Dean have the authority to determine the instances in which an in-school suspension is appropriate. The Deans reserve the right to issue an ISS based on the circumstances beyond an accumulation of detentions. Parents/guardians will be notified in advance. During an in-school suspension, students are expected to work on academic work that may be collected by their Academic Advisor or Case Manager. The student will also meet with the Dean, members of the Family Therapy Program, and other adults who can intervene, depending on the circumstances.

INITIAL INVESTIGATION PROCEDURE

If there is a suspected violation of the Nonviolence and Commitment to Peace Policy, the Policy Against Bullying and Cyberbullying, the Sexual Harassment and Sexual Assault Policy, or another serious infraction, the School will follow these steps:

- Students will be separated as necessary.
- A preliminary investigation to determine whether the policy was violated will be conducted.
- Once the Dean has provided the family with the opportunity to explain their story and evidence has been discussed, the Dean will determine two things:
 - Did the student know about the policy?
 - Did the student break the policy?
- If it is determined the policy was violated, then the following steps will be taken:

- For a first violation of the Policy Against Bullying and Cyberbullying, the student will be issued, at minimum, an after-school detention.
- For a repeat violation of the Policy Against Bullying and Cyberbullying, or any violation of the Sexual Harassment and Sexual Assault Policy, the student will be suspended for a minimum of 2 days (see the Suspension Policy and Procedure below). If the suspension is for 4 days or more, an Informal Hearing will be held (see the Hearings Policy below).
- Extreme or repeat violations of these policies may result in a recommendation for expulsion.
- A Behavior Contract, as deemed appropriate by the Head of School or Dean (see the Behavioral Contract Procedure below). This may include counseling for the student(s) involved.
- Should the Dean find that the student both knew about and violated the Nonviolence Policy then the Dean is required to recommend the student for expulsion from the school.
- In a case where a student may have violated the law, the school may refer the incident to law enforcement while simultaneously continuing the school's disciplinary process. Consequences imposed by the School are independent of and in addition to any penalties imposed under the law.

PLEASE NOTE: A Dean's recommendation for expulsion is a recommendation only. A student is not formally expelled until after a formal expulsion hearing is held and the Board of Directors votes to expel the student.

Upon a recommendation for expulsion, the student and his/her parent will be provided with the following:

- Their rights and responsibilities as a student/parent.
- The formal hearing/expulsion policy and procedures.

BOARD POLICY 202A: SUSPENSIONS

Suspension is exclusion from school for a period of from 1 to 10 consecutive school days. Suspensions may be issued by the Head of School or Dean. A student may not be suspended until the student has been informed of the reasons for suspension and has been given the opportunity to respond. Parents/guardians shall be notified immediately in writing when a student is suspended. Prior notice of the intended suspension is not required if the health, safety or welfare of the school community is threatened. When the suspension is for 4 or more school days, the student and parent/guardian shall be given the opportunity for an Informal Hearing in compliance with the requirements of §12.8(c) (see the Hearings Policy below). The Head of School can develop procedures and expectations around suspensions within their authority under 22 Pa. Code Chapter 12 and the board policy.

SUSPENSION/REINSTATEMENT PROCEDURES

If a student has been suspended, they will be prohibited from attending school, being on school grounds or participating in or attending school activities (dances, field trips, athletic events, etc.). Students are required to make up all class work and tests missed during a suspension.

Actions that will result in a suspension from school activities include, but are not limited to:

- Jeopardizing the safety of another community member
- Active or passive participation in the destruction of property
- Possession of weapon, drugs, alcohol, or other illegal items
- Breaking the Nonviolence Policy

- Cutting class or leaving the classroom without permission
- Stealing
- Sexual harassment
- Severe acts of defiance or disrespect that cause harm to the community and take away from the learning of other students

After a preliminary investigation is conducted by the Dean's Office and it is determined that a suspension is appropriate, the school will verbally notify parent or guardian of the reason for the suspension using the contact information on file and will mail and/or email a copy of the suspension notice to the address on file and give the family an opportunity to respond. The school will also attempt to schedule a Reinstatement Meeting with the student and parent or guardian at this time. If a parent gives verbal permission for the student to leave school, the suspension will begin immediately and the student will be dismissed. If the parent cannot be reached, the student will be held until the end of the school day.

REINSTATEMENT MEETINGS

If a student is suspended but not expelled, the student and their parent or guardian are required to participate in a meeting with the Dean's Office before the student will be permitted to resume attending school or school activities. Students may not attend school or school activities until this mandatory meeting occurs.

The Reinstatement Meeting will serve as a warning to alert the student and their parent/guardian that they have seriously or chronically violated the school's Code of Conduct. It is further hoped that the student will realize the impact their behavior has had on their learning and that of their fellow students, and therefore make all necessary changes in his/her behavior while in school.

The School may waive the requirement for a Reinstatement Meeting only if a behavior contract was put in place as part of an informal hearing.

BOARD POLICY 202B: INFORMAL HEARINGS

Informal hearings are held in cases where a serious infraction of the Code of Conduct has occurred, including when a suspension is 4 days or more or any instance where the School makes a recommendation for expulsion. Informal hearings will follow the format described below:

- The school will offer to hold the informal hearing within the first 5 days of the suspension.
- The school will provide both parent and student with sufficient notice of time and place of the informal hearing.
- During the informal hearing, the school will state the concerns and observed behaviors.
- The school will provide the results of any investigation should the incident have required one.
- Both parent and student will have the opportunity to provide their observations, comments and concerns regarding the incident.
- Students have the right to question any witnesses present at the hearing.
- Students have the right to speak and produce witnesses on their own behalf.
- Upon conclusion of the meeting the school will determine the next action, which may include a recommendation for expulsion or a probationary behavioral or probationary contract.
 - Recommendation for Expulsion:
 - See formal "Formal Hearing/Expulsion Policy" (next page)
 - Behavioral or Probationary Contract:
 - The Head of School or Dean may determine that a behavior contract is required

BEHAVIORAL/PROBATIONARY CONTRACT PROCEDURE

- The administrator will review with the student the written warning, which states the student understands:

- This is his/her final warning from Freire.
- Students will be required to fulfill the conditions of the contract.
- Failure to fulfill the conditions of the contract may result in a recommendation for expulsion from the school.
- When a contract is issued, the student and parent are made aware of the terms being presented by the Dean's office.
- The contract will establish a time and date when the compliance of the contract will be reviewed.
- The contract may include restorative measures such as an apology letter, seminars, or other interventions assigned by the School.

NOTE: Contracts are non-negotiable. Students and parents must adhere to all terms of the contract as dictated by the school. Since contracts are issued in lieu of a recommendation for expulsion, if a parent/student does not agree to follow the terms of the contract, then there is a possibility that the refusal could result in a recommendation for expulsion. Prior to this, a meeting to review the contract will be held by the Head of School. This meeting will include the parent/guardian, student, and the Dean and provides a space for students and parents to provide feedback on the contract terms.

VIRTUAL LEARNING

When classes take place online via Zoom, all participants are expected to uphold the Zoom Expectations. If a student is removed from a Zoom learning space, they will be required to meet virtually with either a Dean or a member from the Admin Team before reintegrating into the Zoom. If the behavior continues, the student will be removed from the Zoom session for the remainder of the day and will have a follow-up conversation with their parents and guardians. At that time, it will be determined how the student can be best supported moving forward and reintegrated into future Zoom Session.

BOARD POLICY 207: DRESS CODE

Freire Charter High School does not have a uniform, however it is expected that students wear their ID while in the school building. We grant students the right to choose clothing that is comfortable to them, affordable, reflects their personal style and identity provided what they wear supports their learning and engagement in school. We limit this right only when a student's clothing creates issues of safety for the school or harms the learning environment.

The following actions conflict with our expectations around safety and maintaining a positive learning environment:

- Wearing head coverings that obstruct the face. Religious exemptions are granted.
- Wearing clothing with obscene language, phrasing, or logos displaying violence or drugs (including alcohol and/or tobacco) on any clothing or accessories.
- Allowing private areas of the body to show. This includes: exposing genital area, rear end, chest/stomach, excessive cleavage, upper legs, "bathing suit area", wearing see-through clothing, etc.
- Allowing undergarments to show. This includes; bras, see-through tights, underwear, boxers, and briefs.
- Pants below the waist.

The administration reserves the right to determine on a case-by-case basis whether a student's clothing may have the potential to harm school safety or the learning environment, as it is impossible to list every deviation from the dress code. Therefore, the above list should not be considered exhaustive.

We will strive to apply this policy fairly and will not discriminate based on an individual's body shape or size. In the event a student receives unwanted sexual advances, harassment, or sexual comments (including those about their body or

clothing), the burden of the responsibility for the incident is on the other individual perpetrating the harassment who will be subject to disciplinary sanction (see Sexual Harassment policy). A student's dress will never be treated as justification for another's harassing behavior and the harassing individual will be held accountable as such.

School staff may additionally demand different standards of dress for special events, trips, etc. For example, "business casual" or "professional dress" may be mandated for an important class presentation.

The Dress Code Policy also applies to the Zoom virtual learning space.

BOARD POLICY 206A: STUDENT ATTENDANCE

STUDENT ATTENDANCE POLICY

Regular school attendance is a primary factor in a student's successful academic and social development and lays the groundwork for a successful and productive life beyond school. Frequent absences of pupils from regular classroom learning experiences disrupt the continuity of the instructional process.

EXCUSED VS. UNEXCUSED ABSENCES

EXCUSED ABSENCE

An excused absence is any absence that is documented for official business. Examples include, but are not limited to: court dates, death in family, doctor or dentist appointments, etc. Excuses of this kind must be documented on official letterhead or back to work slips from a doctor, court, or other professional. Hand-written notes or parent notes will not be accepted as proof of official business. In addition, suspensions will be counted as excused absences. Students will also be excused for participation in a project sponsored by an organization eligible for Pennsylvania Agricultural Fair Act grants (such as FFA for 4-H), to participate in a musical performance for an event or funeral with a national veterans' organization, or if health or sanitation laws or regulations prevent a student from attending school.

UNEXCUSED ABSENCES

An unexcused absence is any other kind of absence from school. Examples include, but are not limited to: sickness that is not medically documented, family trips and vacations that do not serve an educational purposes, etc. **While parents should still send a note to school explaining the absence in order to mitigate truancy, parent notes do not excuse absences.** The Head of School is authorized to develop a system of consequences for attendance. See below for the School's Truancy Policy and Procedures.

Pennsylvania regulation requires that we remove any student from the roll who has accumulated 10 consecutive unexcused absences. A certified letter will be sent to notify parents of their child's removal from the school roll.

PROCEDURE 206A: STUDENT ATTENDANCE

UNEXCUSED ABSENCE PROCEDURES

Unexcused absences can lead to serious consequences, including the following:

- Upon reaching 25 absences, a student may be mandatorily retained, regardless of student's end of year grades, at the discretion of the Head of School.

LATENESS PROCEDURES

A student is considered late if they are not present in their first period classroom by the official start of the school day, which is at 8AM. Lateness can lead to serious consequences, including the following:

- Students who arrive after 8:10AM, may not be permitted to leave the school building for lunch that day.
- Repeated unnecessary lateness may result in disciplinary or other corrective action at the discretion of school administration.

- Being Late to school (unexcused) may prohibit students from retaking assessments.

EARLY DISMISSAL PROCEDURES

To protect student safety, the school reserves the right to only release students to a parents/guardian or an emergency contact on file with the school. The parent or guardian would need to submit a completed release form. Click [HERE](#) to complete the form.

In emergency situations, the Head of School may permit the release to another individual with written or emailed consent from the parent/guardian. For the safety of your student, please limit emergency requests. A student must be present in second period (official attendance period) in order to be marked present for that day. Therefore, any student who receives an early dismissal prior to this time will be marked absent for the remainder of the day.

Please note: For safety reasons, the school will deny an early dismissal in the event that any of the above procedures are not followed.

IMMEDIATE DISMISSAL DUE TO HEALTH EMERGENCIES

In the event that there is a public health emergency and a student begins showing signs or symptoms of an illness, parents/guardians must be able to accommodate an immediate dismissal of the student from school.

MAKE-UP PROCEDURES

It is the responsibility of a student who has been absent to obtain missed work, homework, and assignments from their teachers.

If a student misses class and does not have a valid excuse (doctor's note, letter from court, college visit, etc.) **the student is unable to make up effort assignments missed during the absence.** If a student misses a mastery assessment, they must make up this assessment within a defined timeline (typically, one additional school day per absence).

PRE-ARRANGED ABSENCES

If a student knows ahead of time he or she will be absent or miss a class, he or she should make every effort to collect work from teachers the day before and/or contact teachers or classmates about missed assignments before returning to school. Alternatively, students or parents can reach out to academic advisors to assist in collecting work.

MASTERY ASSIGNMENTS (PAPERS/PROJECTS/MAJOR ASSESSMENTS)

At a teacher's discretion, papers and other assignments that students were informed about before being absent are due upon the student's return or by email. The Major Assignments provisions from the Make-Up Policies section of the Academic Policies in this handbook still apply for late assignments.

It is the student's responsibility to make an appointment with a teacher to make up a missed test or quiz. Generally, students have two weeks to do so. After two weeks, assessments cannot be made up. Teachers may create additional, specific procedures outlined in class syllabi.

EFFORT ASSIGNMENTS (HOMEWORK/CLASSWORK)

Students who have an unexcused absence are unable to make up EFFORT assignments (such as classwork/homework) but are able to make up MASTERY. However, students are encouraged to check in with teachers during office hours and centers upon their return in order to ensure that they are caught up on missed learning.

PARTICIPATION IN SCHOOL ACTIVITIES

A student absent from school may not participate in any after school activity on the day they were absent. It is the responsibility of the student to make up any and all assignments missed as a result of an absence (illness, suspension, field trip, etc.).

PARENTAL NOTIFICATION OF ABSENCES

The school will use the following methods to notify parents/students of their attendance record:

- Daily automated attendance call to all students who are absent (please make sure that the school has the most up-to-date contact number for you at all times).
- Attendance will be printed on all official grade reports that are sent home on a quarterly basis.
- A letter will be sent to the student's home when they have accumulated 3, 6, 10, 15, and 20 unexcused absences. See the Truancy section below for more information.

NOTE: Parents may view attendance through their personal access to the PowerSchool system.

BOARD POLICY 206B: TRUANCY

A student is considered truant after 3 truant absences. A child is considered habitually truant after 6 or more truant absences. To avoid truant absences, students must always bring a parent note explaining their absence when they return to school. The standards to avoid a truant absence are less strict than those to have an absence excused. However, while a parent note may be used to avoid a truant absence, the School must still determine that the absence was for a legitimate reason. Parent notes can only be used to prevent up to 6 truant absences per year. After 6 absences with parent notes, any further such absences will be considered truant.

Within 10 days of a student's third truant absence, Freire will notify the student's family of the child's violation of compulsory school attendance. The notification will be sent in writing to the person in parental relation with the child who resides in the same household as the child. When transmitted to a person who is not the biological or adoptive parent, the notice will also be provided to the child's biological or adoptive parent if the parent's mailing address is on file with the School and the parent is not precluded from receiving the information by court order. The notice will:

- Include a description of the consequences that will follow if the child becomes habitually truant
- Be in the mode and language of communication preferred by the person in parental relation

SCHOOL ATTENDANCE IMPROVEMENT PLAN

After a student reaches 6 unexcused absences, the School will hold a School Attendance Improvement Conference to address barriers to a student's attendance. The School will send a second notice to the family as described above which will additionally include notice of the conference. Neither the child nor the person in parental relation may be legally compelled to attend the conference, but Freire strongly urges both to participate. The conference must occur even if the person in parental relation declines to participate or fails to attend the scheduled conference after written notice sent in advance and attempts to communicate via telephone. Freire reserves the right to provide notice and subsequently hold a conference at its discretion regardless of whether a student has yet accumulated 6 unexcused absences.

The conference should ideally engage the student, family, school, and all participants involved in the student's life to explore possible solutions to increase the student's school attendance. In the case of a follow-up conference after a student has already been referred to the Philadelphia District Attorney's Office, Truancy Court, or Family Court, the conference will also include a representative from the appropriate office. Maintaining open communication between the student and adults will facilitate positive outcomes.

The purpose of the conference is to discuss the cause(s) of the truancy and to develop a mutually agreed upon plan to facilitate regular school attendance. The conference provides both parties with the opportunity to identify, understand, and explore all issues contributing to the student's truant behavior. Participation by the student and family is an integral component for this conference. In addition, representatives from relevant and/or involved community-based agencies, community and school services, and school personnel should be invited to participate, as needed. During the conference, a Student Attendance Improvement Plan (SAIP) shall be developed cooperatively with the student and other meeting participants.

Issues to be addressed at the conference should include but not be limited to:

- Appropriateness of the student’s educational environment
- Possible elements of the school environment that inhibit student success
- Student’s current academic level and needs
- Social, emotional, physical, mental, and behavioral health issues
- Issues concerning family and home environment
- Any other issues affecting the student’s attendance

The participants in the school-family conference should work collaboratively to conduct a holistic assessment to determine the reason(s) the student is exhibiting truant behavior. Every member should have a vested interest in and responsibility for determining an appropriate plan to assist the student to succeed both socially and academically. This conference should also provide an opportunity to ensure that both the student and the family clearly understand the School’s attendance requirements and the legal ramifications of not adhering to the state’s compulsory attendance requirements. This methodology promotes full understanding and appreciation of the root causes of truancy as well as the resultant personal and societal impacts when truant behavior is not adequately addressed.

The School may not take further legal action to address unexcused absences until the conference has occurred. The outcome of the conference must be documented in a SAIP. The SAIP must be documented on an official form substantially similar to one developed by the Pennsylvania Department of Education. This plan substantiates efforts made by the school, the family and other vested third parties to assist the student in addressing and resolving school attendance issues.

LEGAL CONSEQUENCES FOR SUSTAINED TRUANCY

Freire must report incidences of truancy to the Pennsylvania Department of Education and may report them to the School District of Philadelphia’s Office of Attendance and Truancy, the Philadelphia District Attorney, the Philadelphia Family Court, and/or the Philadelphia Department of Human Services. Families may be required to appear at court hearings or be assigned a caseworker who will make home visits. Parents or guardians convicted of violating compulsory attendance can be fined, required to complete an appropriate course, or perform community service. In order to support legal proceedings conducted under Pennsylvania’s truancy law, Freire will document all truant absences, all outreach efforts made, any conferences held, and any interventions pursued.

BOARD POLICY 221: HOMEBOUND STUDENTS

In accordance with PA Code, a principal or teacher **may**, upon receipt of satisfactory evidence of mental, physical, or other urgent reasons, excuse a student for non-attendance during a temporary period and **may** provide those students with homebound instruction for a period not to exceed 3 months.

Parents can request homebound instruction in the event a child is medically unable to attend school for a period of 4 weeks to 3 months due to:

- Physical disability
- Illness (acute or chronic)
- Injury
- Psychological or psychiatric condition
- Pregnancy, if there is satisfactory evidence of mental, physical, or other urgent reasons certified by a physician (See the Married, Pregnant and Parenting Policy #225 for more details)

Homebound instruction will be based on the Instructional Plan and the student will not be marked “absent” for school while receiving approved homebound instruction. The school nurse will monitor medical progress of student by contact with parent/guardian at least once during the scheduled absence. Once a student is ready to return to school, the school team will meet with a parent to review progress and suggest additional supports necessary to return the child to school.

Progress reports from the homebound teacher will be used by teachers and administrators in the determination of a student's overall class grade.

PROCEDURE 201: HOMEBOUND STUDENTS

To submit a request for Homebound Instruction, parents must follow the following procedures:

- Parent must obtain from and return to the school nurse a completed Physician's Referral Form. The form **MUST** be completed by the doctor treating the specific condition causing the child's absence from school.
- Incomplete forms or forms with missing information will be considered; however, lack of information may be sufficient reason for a denial of homebound services.
- All information provided will be considered by the school team to determine whether or not homebound services should be provided. Parents will be informed of approval or denial of services.
- If services are approved, a meeting will convene in order to create a Homebound Instructional Plan for the student for the duration of the approved absence. A parent/guardian must attend this meeting and sign the plan and consent form.

NOTICE: Homebound instruction can only be granted for a period of 3 months. In the event a student requires services for longer than 3 months, a parent must reapply for services following the procedure above. For students diagnosed with chronic illnesses requiring extended periods of homebound instruction throughout the school year, school teams may refer the student for evaluation for continuation of services under IDEA or Section 504 of the Rehabilitation Act.

BOARD POLICY 204: POLICY AGAINST BULLYING AND CYBERBULLYING

The Freire Charter School (Charter School) Board stands firmly against bullying. Bullying behavior is contrary to the mission and vision of the Charter School, negatively affects the Charter School's culture and environment, and can be damaging to the Charter School community at-large.

In all of its forms, bullying is prohibited at the Charter School. The Board directs that complaints of bullying shall be investigated promptly, and that corrective action be taken when allegations are substantiated.

2. Develop, procure, and/or implement bullying prevention and intervention programs and activities, including training for Charter School employees and students for effectively responding to, intervening in and reporting incidents of bullying.
3. Review this policy every three (3) years, or as otherwise may be required by law, and recommend revisions to the Board, if applicable.
4. Ensuring that this policy is made available on the Charter School's public website, in every classroom at the Charter School, and at a prominent location within the Charter School building(s).

6. Provide this policy and any other information required by law to governmental agencies.

Bullying is prevented in the Charter School's Code of Conduct. Student conduct which may constitute bullying or cyberbullying shall be addressed in the same manner as other student disciplinary investigations, consistent with the Charter School's Code of Conduct.

Students who believe they or others have been subjected to bullying, including cyberbullying, are encouraged to promptly report the incident(s) to their teacher, counselor, administrator(s), Head of School, coach, club coordinator, or other trusted Charter School employee.

All Charter School employees are directed to promptly report to their immediate supervisor or the Head of School all incidents of bullying or cyberbullying. Failure to report known instances of bullying or cyberbullying may subject employees to discipline.

The Head of School or designee may offer interim measures to any individual(s) named or related to allegations of bullying or cyberbullying to protect the individual(s) from further bullying, cyberbullying, or similar conduct.

Where a student is found to have engaged in act(s) violating this policy, the Head of School or designee may prescribe that the student attend training, counseling, or other remedial programs. To the extent bullying would constitute an act of violence in violation of the Charter School's Nonviolence and Commitment to Peace Policy (Policy #203), the disciplinary consequences set forth therein shall apply.

In addition to the procedures and consequences set forth in the Code of Conduct, The Board authorizes the Head of School or designee to withhold school privileges (e.g. attendance at graduation or other school-sanctioned events), diplomas, and/or transcripts, pending the student's compliance with school rules or satisfactory completion of any remedial program.

Conduct occurring outside of school can be subject to this policy when there is a connection to school-sponsored activities or where the conduct materially disrupts (or is anticipated to materially disrupt) the operations of the Charter School.

In the course of an investigation pursuant to this policy, if potential incidences of sexual harassment are identified, the Title IX Coordinator shall be notified immediately. Any complaints or allegations made under this policy which could be construed as complaints of sexual harassment shall be handled in accordance with the applicable Board policy (e.g., Policy #116 – Title IX Sexual Harassment).

Allegations made under this policy which would require disclosure to local law enforcement authorities shall be duly reported by the Head of School or designee.

If you or someone you know is a victim of bullying, please fill out [THIS FORM](#).

DISCIPLINARY ACTION AND PENALTIES

Where allegations of hazing are substantiated through an investigation, the Head of School or designee may impose discipline upon the student, student(s), or organization(s) found to have engaged in prohibited conduct.

Students found to have engaged in hazing may be subject to discipline up to and including expulsion from the Charter School, subject to the procedures in the Code of Conduct.

In addition to the procedures and consequences set forth in the Code of Conduct, where a student is found to have engaged in act(s) violating this policy, the Head of School or designee may prescribe that the student attend training, counseling, or other remedial programs. The Board authorizes the Head of School or designee to withhold school privileges (e.g. attendance at graduation or other school-sanctioned events), diplomas, and/or transcripts, pending the student's compliance with school rules or satisfactory completion of any remedial program.

Organizations found to have authorized or sanctioned hazing in blatant disregard for school rules may be penalized at the discretion of the Head of School. Penalties may include rescission of permission for that organization to operate on campus or other school property, or to otherwise operate under the sanction or recognition of the Charter School.

If you or someone you know is a victim of hazing, please fill out [THIS FORM](#).

BOARD POLICY 121: NONDISCRIMINATION

The members of the Charter School community include the Charter School's Board of Trustees, employees, administration, faculty, staff, school volunteers, parties under contract to perform work for or with the Charter School, and family members participating in school meetings or school-sponsored activities.

The Charter School does not exclude from participation, deny the benefits of the Charter School from or otherwise discriminate against individuals on the basis of race, color, sex, sexual orientation, gender (including gender identity or expression), age, creed, religion, ancestry, national origin, ethnic background, marital status, pregnancy, disability, veteran/military status, or any other category protected by state or federal law in the administration of its educational and employment policies or in its programs and activities.

The Board also declares it to be the policy of this Charter School to comply with federal law and regulations under Title IX prohibiting sexual harassment, which is a form of unlawful discrimination on the basis of sex.

Discrimination in any of its forms is inconsistent with the rights of students and the mission and educational goals of the Charter School and is prohibited at or during school-sponsored programs or activities, including transportation to or from school or school-sponsored activities. Violations of this policy, including acts of retaliation as described in this policy, or knowingly providing false information, may result in disciplinary consequences under other Board policies or the Charter School's student or employee codes of conduct.

This declaration of policy shall be included in each student and staff handbook and shall be posted to the Charter School's website.

OVERVIEW

The Charter School prohibits all forms of discrimination and harassment, including Bullying (Policy # 204), Hazing (Policy # 214), discriminatory harassment (this policy), and Title IX sexual harassment (Policy #117).

The Charter School shall promptly review and investigate all allegations of conduct which may be a violation of the above-mentioned policies. The scope of the investigatory process will be determined by law and the applicable policy. The Charter School shall have the authority, in any investigation conducted pursuant to this policy, to assign one or more functions to an independent third party, such as an attorney.

DEFINITIONS

Complainant shall mean an individual who is alleged to be the victim.

Respondent shall mean an individual who has been reported to be the perpetrator of the alleged conduct.

Harassment shall mean unwelcome, inappropriate, or illegal physical, written, verbal, graphic, or electronic conduct that relates to an individual's actual or perceived race, color, sex, sexual orientation, gender, gender identity or expression, religion, disability, age, genetic information, active military/veteran status, marital status, familial status, ancestry, ethnic background, national origin, or any other category protected by state or federal law, when such conduct:

1. Is sufficiently severe, persistent or pervasive that it affects a student's educational performance or creates an intimidating, threatening or abusive educational environment; and/or
2. Has the purpose or effect or unreasonably interfering with a student's educational performance; and/or
3. Adversely affects a student's educational opportunities.

Harassment may include but is not limited to slurs, jokes, bullying, hazing, or other physical, written, verbal, graphic or electronic conduct.

Sexual harassment (Note: the following definition applies only to allegations that have been determined by the Title IX Coordinator to not fall within the scope of Title IX sexual Harassment as set forth in Policy # 117, and/or which otherwise will be investigated pursuant to this policy.)

Sexual harassment means unwelcome sexual advances, requests for sexual favors, and other inappropriate physical, written, verbal, graphic, or electronic conduct that satisfies one or more of the following:

1. an employee of the Charter School conditioning the provision of an aid, benefit, or service of the Charter School on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct which is sufficiently severe, persistent or pervasive that a reasonable person in the complainant's position would find that it unreasonably interferes with a person's equal access to the Charter School's education program; or
3. Sexual assault, dating violence, domestic violence, or stalking. Sexual harassment is a form of discrimination on the basis of sex.

Sexual assault means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation:

This includes any sexual act directed against another person, without the consent of the complainant, including instances where the complainant is incapable of giving Consent. Sexual assault may be one of the following categories:

Sexual penetration without consent - Any penetration of the mouth, sex organs, or anus of another person, however slight by an object or any part of the body, when consent is not present. This includes performing oral sex on another person when consent is not present.

Sexual contact without consent - Knowingly touching or fondling a person's genitals, breasts, buttocks, or anus, or knowingly touching a person with one's own genitals or breasts, when consent is not present. This includes contact done directly or indirectly through clothing, bodily fluids, or with an object. It also includes causing or inducing a person, when consent is not present, to similarly touch or fondle oneself or someone else.

Statutory sexual assault – The age of consent for sexual activity in Pennsylvania is 16. Minors under the age of 13 cannot consent to sexual activity. Minors aged 13-15 years old cannot consent to sexual activity with anyone who is 4 or more years older than they are at the time of the activity. Minors aged 16 years of age or older can legally consent to sexual activity, as long as the other person does not have authority over them as defined in Pennsylvania's institutional sexual assault statute, 18 Pa C.S. § 3124.2.

Dating violence means violence committed by a person:

1. Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
2. Where the existence of such a relationship shall be determined based on a consideration of the following factors: length of relationship, type of relationship, and frequency of interaction between the persons involved.

Domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is co-habiting with or has co-habited with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

1. Fear for their safety or the safety of others; or
2. Suffer substantial emotional distress.

Consent exists when all parties exchange mutually understandable affirmative words or actions indicating their agreement to participate voluntarily in sexual activity. Consent must be informed, voluntary, and actively given. Resistance by the complainant is not required. Consent does not exist if the sexual act was by forcible compulsion which is the use of physical, intellectual, moral, emotional or psychological force. Consent does not exist if a person is threatened, unconscious, incapacitated due to the influence of drugs and/or alcohol, or suffers from a mental disability that makes them incapable of giving consent. Consent may be withdrawn by either party at any time. Once withdrawal of consent has been expressed through words or actions, sexual activity must cease. Pennsylvania defines the age of consent as age sixteen (16) or above. Children under age thirteen (13) cannot consent to sexual activity. Children between the ages of 13-15 cannot consent to sexual intercourse with a person four (4) or more years older than them.

CONFIDENTIALITY

Confidentiality of all parties, witnesses, the allegations, the filing of a report, and the investigation related to any form of discrimination or retaliation shall be handled in accordance with applicable law, regulations, this policy, and the Charter School's legal and investigative obligations.

If a request for confidentiality is received, the Charter School will evaluate any such request in the context of its responsibility to provide a safe and nondiscriminatory environment for all students. A request for confidentiality may limit the Charter School's ability to respond.

Based on the context of what is reported to the Charter School, all incidents that are required by law to be reported to law enforcement and/or ChildLine will be made accordingly.

RETALIATION

The Board prohibits retaliation by the Charter School or any other person against another person for:

1. Reporting or making a formal complaint of any form of discrimination or retaliation.
2. Testifying, assisting, participating, or refusing to participate in a related investigation, process, or other proceeding, or hearing.
3. Acting in opposition to practices that the person reasonably believes to be discriminatory.

The Charter School, its employees, and others are prohibited from intimidating, threatening, coercing, or discriminating against anyone for actions described above. Individuals are encouraged to contact the Compliance Officer/Title IX Coordinator immediately if retaliation is believed to have occurred. Substantiated allegations of retaliation may result in the same disciplinary action applicable to one who engages in discrimination.

Violations of this policy, including acts of retaliation as described in this policy, or knowingly providing false information, may result in disciplinary consequences under other Board policies or the Charter School's student or employee codes of conduct.

This declaration of policy shall be included in each student and staff handbook and shall be posted to the Charter School's website, along with any Administrative Procedures developed hereunder.

OVERVIEW

This policy applies when a student is alleged to be a victim of Title IX sexual harassment (defined below).

The Charter School shall promptly review and investigate all allegations of conduct which may be a violation of the above-mentioned policies.

When the Charter School has actual knowledge of Title IX sexual harassment, the Charter School shall respond promptly and in a manner that is not deliberately indifferent. Student respondents are presumed to not be responsible for alleged conduct until the conclusion of grievance procedures pursuant to this policy.

Where conduct is found to constitute Title IX sexual harassment, the Charter School shall take corrective action in the form of sanctions.

Conduct that does not fall within the scope of Title IX or implicate this policy will be handled under the appropriate policy, such as those named above, or the Charter School's Code of Conduct.

This policy applies to all individuals participating in and attempting to participate in the Charter School's educational program or activity. This policy is limited to conduct occurring in the United States.

ADMINISTRATIVE PROCEDURES

The Board shall adopt Administrative Procedures which provide for the resolution of complaints of Title IX sexual harassment. The Board directs the Head of School to monitor, develop, and amend the Administrative Procedures from time to time as may be necessary to promote the efficient resolution of complaints of harassment, to the extent such

change(s) are consistent with Title IX law and regulations. The Administrative Procedures shall constitute the Charter School's process for compliance with the requirements for "Formal Grievance Procedures" as set forth in Title IX law and regulations.

Administrative Procedures shall expressly provide that the Charter School shall have the authority, in any investigation conducted pursuant to this policy, to assign one or more functions to an independent third party, such as an attorney.

TITLE IX COORDINATOR

The Board directs the Head of School to designate a Title IX Coordinator (or multiple coordinators) who shall be named in the Administrative Procedures, and who shall fulfill designated responsibilities under this policy and the accompanying Administrative Procedures.

Nondiscrimination statements published on the Charter School's website and in student and employee handbooks shall include the position, office address and telephone number of the Title IX Coordinator.

The Title IX Coordinator is responsible to ensure adequate nondiscrimination procedures are in place, to recommend new procedures or modifications to procedures and to monitor their implementation.

The Board directs the Title IX Coordinator, in consultation with the Head of School and any other Board designee, to provide for training as set forth in the Title IX law and regulations and as set forth in the section "Training-related requirements" in this policy.

Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charter to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. includes measures designed to protect the parties' safety or the safety of the educational environment, or to deter sexual harassment. These measures may include (but are not limited to): counseling, academic support services, assistance in requesting long-term academic accommodations if the individual qualifies as an individual with a disability, extensions of deadlines or other course-related adjustments, modifications class schedules, campus or building escort services, mutual "no contact" orders, leaves of absence, increased security, monitoring of certain areas of the campus and/or building, and/or assistance from community health resources such as domestic violence or rape crisis programs. Title IX sexual harassment – (Note: the following definition applies only to allegations that will be subject to the procedures set forth in this policy and accompanying procedures. Claims of sexual harassment not falling within the scope of Title IX may be addressed by Policy #121 (relating to discriminatory harassment) or another policy.)

Title IX sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

1. A Charter School employee conditioning the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct, commonly referred to as quid pro quo sexual harassment.
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive and objectively offensive that it effectively denies a person equal access to a Charter School education program or activity.
3. Sexual assault, dating violence, domestic violence, or stalking.
4. Sexual assault means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation:
 - a. This includes any sexual act directed against another person, without the consent of the complainant, including instances where the complainant is incapable of giving Consent. Sexual assault may be one of the following categories:
 - i. Sexual penetration without consent - Any penetration of the mouth, sex organs, or anus of another person, however slight by an object or any part of the body, when consent is not present. This includes performing oral sex on another person when consent is not present.
 - ii. Sexual contact without consent - Knowingly touching or fondling a person's genitals, breasts, buttocks, or anus, or knowingly touching a person with one's own genitals or breasts, when consent is not present. This includes contact done directly or indirectly through clothing, bodily fluids, or with an object. It also includes causing or inducing a person, when consent is not present, to similarly touch or fondle oneself or someone else.
 - iii. Statutory sexual assault – The age of consent for sexual activity in Pennsylvania is 16. Minors under the age of 13 cannot consent to sexual activity. Minors aged 13-15 years old cannot consent to sexual activity with anyone who is 4 or more years older than they are at the time of the activity. Minors aged 16 years of age or older can legally consent to sexual activity, as long as the other person does not have authority over them as defined in Pennsylvania's institutional sexual assault statute, 18 Pa C.S. § 3124.2.
 - b. Dating violence means violence committed by a person:
 - i. Who is or has been in a social relationship of a romantic or intimate nature with the victim; and

- ii. Where the existence of such a relationship shall be determined based on a consideration of the following factors: length of relationship, type of relationship, and frequency of interaction between the persons involved.
- c. Domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is co-habiting with or has co-habited with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- d. Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
 - i. Fear for their safety or the safety of others; or
 - ii. Suffer substantial emotional distress.
 - iii. Stalking includes the concept of cyberstalking, in which electronic media such as the Internet, social networks, blogs, cell phones, texts, email or other similar devices or forms of contact are used to pursue, harass, or to make unwelcome contact with another person in an unsolicited fashion.

Consent exists when all parties exchange mutually understandable affirmative words or actions indicating their agreement to participate voluntarily in sexual activity. Consent must be informed, voluntary, and actively given. Resistance by the complainant is not required. Consent does not exist if the sexual act was by forcible compulsion which is the use of physical, intellectual, moral, emotional or psychological force. Consent does not exist if a person is threatened, unconscious, incapacitated due to the influence of drugs and/or alcohol, or suffers from a mental disability that makes them incapable of giving consent. Consent may be withdrawn by either party at any time. Once withdrawal of consent has been expressed through words or actions, sexual activity must cease. Pennsylvania defines the age of consent as age sixteen (16) or above. Children under age thirteen (13) cannot consent to sexual activity. Children between the ages of 13-15 cannot consent to sexual intercourse with a person four (4) or more years older than them.

Exculpatory evidence means evidence tending to exonerate the accused or helps to establish their innocence.

Inculpatory evidence means evidence tending to incriminate the accused or indicate their guilt

Informal Resolution Facilitator means the person assigned by the Title IX Coordinator to manage the Informal Resolution process. The informal resolution facilitator must be fair, impartial and trained in Title IX policy and procedures, specifically those dealing with mediation and restorative justice best practices.

Retaliation means actions prohibited in the section labeled “Retaliation” in this policy, except when:

1. An individual’s actions constitute protected speech under the First Amendment.
2. The assignment of consequences under the Charter School’s Code of Conduct when an individual knowingly makes a materially false statement in bad faith during an investigation. The fact that charges of discrimination were unfounded or unsubstantiated shall not be the sole reason to conclude that any party made a materially false statement in bad faith.

Sanctions means disciplinary actions or consequences for a respondent.

When a respondent is a student, sanctions include the entirety of disciplinary consequences listed in the Student Code of Conduct and can range from a conference with the respondent and a Charter School employee, up to through permanent expulsion from the Charter School.

When a respondent is an employee, sanctions include employee discipline consistent with Board policy, up to and including termination from employment.

BOARD POLICY 126: CODE OF CIVILITY

PURPOSE

Freire Charter School (the “School”) believes that maintaining an environment supportive of learning and free of disruptive conduct is important to the success of our children’s education. To further this goal, it is the intent of the School to promote, through this policy, mutual respect, civility and orderly conduct between and among Board members, school staff and administrators, parents/guardians, students, volunteers, coaches, and members of the public. It is also the intent of this policy to encourage positive communication and to discourage disruptive, volatile, hostile or aggressive communication or actions. Furthermore, this policy is intended to maintain, to the extent possible, a safe, harassment-free workplace for teachers, students, administrators, other staff, parents/guardians and the public.

The Board of Directors encourages its members, school staff and administrators, parents/guardians, students, volunteers, coaches, and members of the public to participate in maintaining a clear expectation of civil conduct and problem-solving throughout the School. The School is committed to support this expectation and will not condone or accept uncivil conduct (see definition) on school grounds, at school-sponsored activities, or in verbal, written or electronic communications whether by Board members, school staff and administrators, parents/guardians, volunteers, coaches, or members of the public.

While this policy may apply to incidents involving students, this policy is not intended to supplant the Charter School’s Student Code of Conduct, and nothing in this policy shall be construed to limit the Charter School’s response to student behaviors. The Student Code of Conduct, and the procedures thereunder, shall be used by the Charter School to investigate and/or impose disciplinary consequences for students engaging in behavior that would otherwise constitute a violation of this policy.

DEFINITIONS:

A person will be deemed to have engaged in “Uncivil Conduct” when the person threatens the health, safety or welfare of any members of the school community, places another person in reasonable fear of imminent harm, disrupts the orderly operations of the School or in cases where the conduct affects a substantial Charter School interest or has continuing effects on Charter School Property or at a Charter School sponsored or related activity/event.

By way of example, “Uncivil Conduct” includes, but is not limited to, behaviors such as:

- directing vulgar, obscene or profane gestures or words at another individual;
- taunting, jeering, inciting others to taunt or jeer at an individual;
- repeatedly interrupting another individual who is speaking at an appropriate time and place or raising one’s voice in anger at another person;
- imposing personal demands at times or in settings where they conflict with assigned duties and cannot reasonably be met;
- using derogatory and/or personal epithets or slurs; gesturing in a manner that puts another in fear for his/her personal safety; or

- invading someone’s personal space after being directed to move away, physically blocking an individual’s exit from a room or location, remaining in a classroom or school area after a teacher or administrator in authority has directed one to leave.

It is not the intent of this policy to deprive any member of the school community of the right to free expression of ideas or the exercise of a right to which they are entitled. “Uncivil Conduct” does not include the expression of controversial or differing viewpoints that may be offensive to some persons, so long as: 1) the ideas are presented in a respectful manner and at a time and place that are appropriate, and 2) such expression does not materially disrupt, and may not be reasonably anticipated to disrupt, the educational process.

GUIDELINES

Individuals who perceive that they are being treated in a way that violates this policy are urged to resolve their concerns promptly through direct communication by respectfully (a) requesting that the person cease engaging in the Uncivil Conduct; and/or (b) notifying the Head of School, Assistant Head of School, and/or Freire School Network Office Administrator that the Uncivil Conduct is occurring.

Individuals reporting alleged violations of this policy may be asked to submit the report in writing to the Head of School.

Individuals who violate this policy may have restrictions imposed on their access to School including restrictions on their right to be present in the School building, on School property or to attend School events. Restrictions may also be imposed on interactions with school staff member(s).

Severe or persistent acts of Uncivil Conduct may violate other School rules or policies such as the policies against Sexual Harassment, Discrimination, Bullying, and Student Code of Conduct. Violation of such policies may result in further action as applicable. Nothing in this policy is intended to interfere with the ability of school administration to maintain order and discipline in the schools or to enforce school rules and applicable policies and laws.

DELEGATION

The Head of School or designee shall establish procedures consistent with the provisions of policy.

TITLE I

Freire invites parents to attend an annual Titles I, II, and IV informational meeting, held in conjunction with back to school night. At this meeting, we explain the purpose and requirements of Title I programs, describe how Freire participates in the program, and detail how the school is spending its Title I funding in the current school year. School representatives review parents’ right to be involved, provide the complaint procedure, and identify Freire’s federal programs coordinator. At this time, we solicit feedback from parents on topics including how Freire is spending Title I funds, the quality of the school-parent compact, and this Family Involvement Policy. School administrators consider any feedback received when seeking to make improvements at the next relevant annual opportunity (e.g. policy updates, budgeting, program planning, etc.).

As the school creates, improves, and implements its Title I Schoolwide Program, the planning team takes into account parent feedback received at the annual Title I informational meeting, comments from regular monthly parent association meetings, survey results, and relevant informal suggestions made by parents.

School events that provide opportunities for parent involvement throughout the year are held at a variety of times, both during the school day and in the evening.

Title I funds may be used to pay reasonable and necessary expenses associated with parent involvement activities, including transportation, childcare, or home visit expenses to enable parents to participate in school-related meetings and training sessions.

PARENT RIGHTS UNDER TITLE I

Under Title I, Part A, Freire parents have the right to:

- Be involved in our Title I, Part A programs – Freire, with the help of its parents, will develop and implement a Title I Family Involvement Policy and a School-Parent Compact
- Request regular meetings – Requests for meetings to discuss Title I programs should be put in writing and submitted to the Federal Programs Coordinator.
- Know teacher and paraprofessional qualifications – Parents may request, and Freire then will provide, certain information on the professional qualifications of the student’s classroom teachers and paraprofessionals providing services to their child. Requests should be put in writing and submitted to the Federal Programs Coordinator.

PARENT FAMILY ENGAGEMENT POLICY

Freire Charter School is fully committed to finding meaningful and mutually enriching ways for parents to participate in our school to serve as partners in improving the quality of teaching and learning for all of our students and at every level. As a recipient of Title I funds, Freire abides by a Title I Parent and Family Engagement Policy. The policy is updated annually, with input from parents and students, distributed at parent meetings, delivered through our website, and is included in the student handbook. The policy describes the means for carrying out Title I Parent and Family Engagement Requirements [Section 1116 of the Every Student Succeeds Act (ESSA)].

This policy states how Freire involves parents and family members in the joint development of the Title I Plan and be partners in their child’s education.

- An annual parent survey to evaluate the content and effectiveness of the parent and family engagement policy in improving the academic quality of all school. This survey also asks parents to provide feedback on the following:
 - Barriers to greater participation in activities,
 - The needs of parents and family members to assist with the learning of their children, including with school personnel and teachers,
 - Strategies to support successful and family interactions.
- A minimum of two meetings annually where parents are invited to help develop the Title I Plan and revise Parent Engagement Policy. These meetings include time to:
 - Review parent survey results
 - Review performance data
 - Provide input into development of Title I plan including performance measures, spending plan/budget, and strategies for improving parent engagement.
 - Evaluate and amend school-parent compact
- Numerous opportunities for parents to be involved in the activities of the school including:
 - New Parent Clinic
 - Back to School Night
 - Student-Parent-Teacher conferences
 - Exhibition Nights
 - Family meetings/info sessions where a member of the Freire staff presents on relevant topics such as college application process and Act 158 graduation requirements

- Strategies to engage families and communicate with them:
 - Family meetings for all students identified as needing additional supports, held either at the home of the student or at the school.
 - Each grade level has a dedicated academic advisor. This individual reaches out to the family of any student failing one or more classes at the conclusion of the first semester so that a family meeting can be scheduled and appropriate measures taken to support the student.
 - Freire’s student report cards also offer information beyond the traditional content of grades, teacher comments, and attendance information. Our report cards provide parents with their student’s progress on standardized tests, a record of their behavior, and information on their student’s participation in extracurricular activities.
- Support programs that reach parents and family members at home, in the community, and at school, including sessions on financial literacy and FAFSA completion.
- Title I coordinator/network office federal programs manager attend conferences and trainings, meet annually with the school’s academic leaders to plan and monitor implementation of parent engagement activities
- Freire coordinates and integrates parent and family engagement strategies under Title I, Part A with other relevant Federal, State, and local laws and programs including IDEA/Special Education parent training, annual notices for English learners, information sessions to support Pennsylvania’s Act 158, the use of ESSER funds, and the development of our schoolwide and comprehensive plans.

PARENT ASSOCIATION

Freire High School’s parent association, Paulo’s Parents, set goals for their work, which have included aims such as teacher appreciation, fundraising, and partnership building for school-community culture. Meeting dates and times are announced in our email newsletters. Parents should contact the Head of School for more information.

PARENT CONTACT INFORMATION

It is essential that parents keep their contact information on file with the school up to date at all times. The school may need to reach parents in emergencies, to notify them of incidents involving their child at school, or for other important reasons. Parents must therefore contact the school any time there is a change to their address, phone number, or email address.

CONTRACT FOR EXCELLENCE

From the students themselves to their parents/guardians, teachers, and support staff – each and every member of the school community has a critical role to play in supporting success for our learners. To make sure each individual knows their role in the process, all community members must agree to and sign the Freire Contract for Excellence which was developed jointly with parents. A copy of the contract is attached as an appendix and must be signed and returned to the school.

MATERIALS AND TRAINING AVAILABLE TO PARENTS/GUARDIANS

POWERSCHOOL TRAINING

Freire is committed to doing everything possible to help parents have the tools they need to support their students in school. To that end, Freire holds trainings and/or provides written instructions so that parents feel adept at using our student database (PowerSchool) from their homes and offices. Parents can log into PowerSchool at any time and receive up-to-date information about their individual student. From PowerSchool they can see a current reflection of their student’s performance in each class, including specific information on how a student performed on every class

assignment and assessment. Parents also have access to their student's daily attendance, current overall grades as well as test and quiz grades, homework performance, and in-school behavior.

Training for PowerSchool usually occurs in September as part of our Back to School Night but is also offered through individual tutorials. Parents receive a username and password in order to enter their account on PowerSchool. As part of that training, parents learn the capabilities of the program and how to tailor those capabilities to meet their individual needs and access the information they want to see about their child's progress. For any parents who miss Back to School Night and still want to learn how to access their child's progress online, our Academic Advisors are available by appointment throughout the year to help parents access this very important feature.

ACADEMIC ADVISORS

Each child has an Academic Advisor at Freire. The job of the academic advisor is to support students in their academic growth by following student progress on a regular basis, communicating with a student's parent/guardian in times of concern, helping to link students to the extra help and support centers Freire has available to all students, and helping to ensure that the staff at school and parents at home are doing all we can to support our students' academic success. When requested by parents, academic advisors will also facilitate regular meetings that provide parents with an opportunity to formulate suggestions and participate, as appropriate, in decisions relating to the education of their children.

EMOTIONAL SUPPORT TEAM

Another fundamental way that we support parents in helping their children's achievement and potential soar is through our emotional support team. Freire's emotional support team serves all students in need of therapy on a regular basis. Students meet with either our in-house certified family therapist or one of the handful of graduate school interns studying the science of emotional support and working closely at our family therapist's direction. Any and all family members of a Freire student are also welcome to participate in emotional support therapy sessions. In accordance with PA Act 147 of 2004, students who are 14 years of age or older can request counseling and are entitled to confidentiality, subject to legal restrictions (for example, counselors must report any suspicion of child abuse or neglect and may be required to report a suspicion that the student has been a victim of a crime).

21ST CENTURY CCLC PARENT PROGRAMMING

Lastly, thanks to the Pennsylvania Department of Education's 21st Century Community Learning Centers Grant, Freire provides parent programming throughout the year. If you are interested in being a part of Freire's 21st Century CCLC parent programming, please contact the Director of Student Activities.

PARENT CONCERNS

When parents/guardians have a concern about something going on in a classroom or at the school, the best thing to do is first contact their child's Academic Advisor or classroom teacher to discuss the matter. After that, if the situation still has not been resolved, the parent needs to contact either the Co-Heads of Academics (for any matters relating to teaching and learning in the school) or the Head of School (for any matters in the school not directly related to teaching and learning). If the concern is not resolved at the school level, or if a community member wishes to make a specific complaint to the Board, they can provide notice to the Head of School who can relay their concern to the Board and set aside time on a meeting agenda when appropriate. Parents and community members may attend any board meeting and present a statement during the public comment period, but are encouraged to share any specific concerns beforehand so that the board can best address them. The Board will review the complaint and come to a final decision as quickly as possible.

PARENT CONDUCT

All parents must represent Freire and Freire's values at all times. While this rarely, if ever, occurs at Freire, in the case that a parent/guardian comes to the school or to a school event and is not conducting him/herself appropriately or violating our school safety policies, that parent/guardian will be asked to leave the school property, and, if necessary,

law enforcement may be called. Severe instances may lead to a parent/guardian being permanently prohibited from entering school property and/or school events.

EDUCATION FOR OUR EDUCATORS ABOUT THE IMPORTANCE OF PARENTS IN STUDENT SUCCESS

Every Freire staff member participates in at least two trainings per school year on effectively partnering with parents to maximize student achievement. One of these trainings is held during our start of the year staff orientation, and the second at one of our regularly scheduled staff professional development sessions. Issues about differences in culture, expectation, communication styles, etc. are addressed.

Additionally, administrative personnel and school leaders participate in ongoing informal conversations regarding how to support parents and their students most effectively. One of the primary roles of our Academic Advisors is to serve as a liaison to and for parents with the school and to make sure to give voice to parent concerns, feedback, and positive experiences.

UNDERSTANDABLE COMMUNICATION

Freire has an accurate perception of the number of our parents for whom English is not their first language as a result of input provided on a Home Language Survey that parents are required to complete when a student first enrolls in the school. As a result, we are able to support these parents directly with a variety of resources including telephonic translation services provided by LanguageLine. Additionally, as part of a quarterly phone call held with parents of any ESL student the school, Freire is able to regularly check in with these parents to ensure that they fully understand communications from the school and provide additional support as needed. The school also maintains a relationship with a company called LanguageLine. This company provides translation services in approximately 170 languages and the school utilizes them when appropriate to ensure that the content of essential school communications can be understood by all parents.

TITLE I COMPLAINT PROCEDURES FOR PARENTS

A parent who feels that the school is not meeting its Title I or other responsibilities as outlined in this policy, should first discuss the problem with the school Federal Programs Coordinator. Examples of violations would be such things as:

- An annual meeting was not convened to explain Title I offerings to parents
- Parents were refused information on the professional qualifications of their child's classroom teacher. If the concern was not resolved at the school level, a parent should begin a formal Pennsylvania Department of Education (PDE) complaint procedure as outlined below. A complaint is defined by Freire Charter School as a written, signed statement. It must include the following:
 - A statement that PDE or Freire has violated a requirement of federal statute or regulations which apply to programs under the Every Student Succeeds Act
 - The facts on which the statement is based
 - Information on any discussions, meetings or correspondence with PDE or Freire regarding the complaint

OTHER IMPORTANT PARENT INVOLVEMENT INFORMATION

At Freire, we are always working to form stronger, better partnerships with parents. Some of the ways in which we further this goal that have not been mentioned specifically above are:

- One parent from the Middle School and one from the High School each serve on the school's Board of Directors.

- Parents are surveyed yearly for input on the quality of their children’s teachers and staff of the school.
- Parents receive a weekly email newsletter updating them on school activities, events, issues, etc.
- Parents receive mailings frequently through the regular mail.
- Freire contracts with the SchoolMessenger service, which allows us to communicate information to parents via automated phone calls, text messages, and emails.
- Freire teachers are required to respond to every communication from a student’s parents within a reasonable period of time.
- Freire teachers take the time to write comments on report cards thereby giving parents more specific information than just a grade.
- The interview process for hiring staff includes parent input when possible, and in particular when hiring senior administrative staff members.

BOARD POLICY 208A: STUDENT USE OF TECHNOLOGY

Freire Charter School (FCS) provides students with computer equipment, computer services, the system network, and Internet access, and other technological equipment and resources. FCS has the right to place reasonable restrictions on this privilege.

All access and rights are privileges granted by FCS and students should have no expectation of privacy in the contents of personal files and access. The situation is similar to the rights you have in the privacy of your locker. Network administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly. Users should not expect privacy with regard to any files stored on school or cloud servers. Routine maintenance and monitoring of the FCS system may lead to discovery that this policy, the FCS Code of Conduct, or the law has been violated. In these cases, students will be held accountable to the expectations of the school and the law.

All users agree to abide by applicable federal, state, and local laws and FCS rules when using FCS technology. FCS will not assume legal or other responsibility for any use deemed unacceptable or for any content students find online.

The use of FCS technology is a privilege, not a right, and the purpose of this agreement is to define acceptable and unacceptable use of computer equipment, computer services, the system network, and the Internet, and other technological equipment and resources as defined by FCS. Unacceptable use, as defined by this agreement, or at the discretion of the Technology Director, staff, or administration, may result in restriction or cancellation of access (even for required coursework) as well as other disciplinary or legal action.

PROCEDURE 208A: STUDENT TECHNOLOGY

Technology resources are defined as any electronic tool, device, program, or system that aids the academic environment for a student. Technology includes:

- All computer software and hardware including student chromebooks
- Cell phones, tablets, and smart watches
- Analog and digital networks (e.g., data, video, audio, voice, and multimedia)
- Email systems and communications technologies
- Administrative systems, media systems, and learning information systems
- Smart Boards
- Related and forthcoming systems and new technologies

ACCEPTABLE USE

Acceptable use of FCS technology is any use that is consistent with the educational objectives of FCS and in accordance with the FCS Code of Conduct. This includes academic work, college exploration and research, and employment exploration and research. For further clarification on uses not listed here, please refer to the Technology Director. All use is subject to review by the Technology Director, staff, and administration.

Students are responsible for good behavior on school computer networks just as they are on school grounds and in the community. Communications on the network are often public in nature and general school rules apply. Students must respect the rights of others in both the school community and in the global community.

UNACCEPTABLE USE

These rules provide general guidelines and examples of prohibited uses for illustrative purposes but do not attempt to state all required or prohibited activities by students. General examples of unacceptable uses which are expressly prohibited include but are not limited to the following:

- **Illegal Activity** – It is unacceptable use to promote or engage in any activities which are deemed criminal under federal, state or local laws.
- **Copyright Laws** – It is a violation of copyright laws to copy, distribute, display, exhibit, or perform copyrighted works without authority of the owner of the copyright. A copyright notice is not required.
 - Students may not utilize peer-to-peer file-sharing applications or execute programs to facilitate the downloading or exchange of copyrighted or unauthorized music, movies, and other intellectual property, etc.
 - Students may not use the FCS network to arrange for the purchase of illegal substances or alcohol, engage in criminal activity, or threaten the safety of any person(s).
- **Plagiarism** – Students may not plagiarize works that they find on the Internet or other resources (including content generated from artificial intelligence systems).
- **Vandalism** – It is unacceptable use to harm or destroy the hardware, software or data of another user, whether at FCS or at any site connected to the Internet. This includes, but is not limited to, the creation or spreading of computer viruses. If a student breaks a piece of equipment while using it, the family of the student is responsible for replacing that equipment.
- **Security** – Under no conditions should you provide your password to another person. Users are responsible for the security of their account. Users may be held accountable for actions performed under their account name if it has been determined that their account was negligently left accessible. It is also unacceptable to change individual or system passwords. If a user suspects their account security has been compromised they are required to immediately contact an administrator. It is unacceptable to trespass in others' folders, work, or files or to use or to attempt to use another's account, including the System Administrators' accounts. It is unacceptable to post information that could cause damage or a danger of disruption.

- **Offensive Behavior and Harassment** – It is unacceptable use to harass, insult, or attack others. It is unacceptable to send or receive any data, which is offensive and/or obscene according to the FCS Code of Conduct. Note that Freire may consider an action to be harassment regardless of whether it is considered harassment under the law. Any repeated or unwanted communication may constitute harassment. Any communication with the direct intention of harassing, threatening, implying, or otherwise causing harm to individuals and classes of individuals is a violation of school policy. Be sure to save copies of all harassing material. Provide hard copies to the Technology Director, staff, and/or administration. Harassment is taken very seriously at FCS, and anyone who makes false accusations will be penalized. Kinds of Harassment include:
 - Sending/forwarding unsolicited email, junk mail, or propagating chain letters.
 - Email “bombing,” spamming, etc.
 - Inappropriate images, text, audio, commentary, etc. that demeans based on ethnicity, race, religion, sexuality, sexual orientation, age, class, disability, etc.
 - Forging electronic information.
 - Creating, altering, or deleting the attribution of origin (“from” in email, IP address headers, etc.).
 - Sending messages under someone else’s address or posing as another user in any way.
- **Respect for Resource Limits** – It is unacceptable to intentionally waste limited computer resources. It is unacceptable to download large files. It is unacceptable to post or forward chain letters, send “bomb” emails, or engage in “spamming.” Sending numerous or large email messages to one person is considered “email bombing.” Spamming is sending an annoying or unnecessary message to a large number of people.
- **Respect for Privacy** – It is unacceptable to repost a message that was sent to you privately without permission of the person who sent you the message. It is unacceptable to post private information about another person.
- **Personal Safety** – It is unacceptable to post personal contact information about yourself or other people. Personal contact information includes your address, telephone, work address, etc. It is unacceptable to agree to meet with someone you have met online for non-academic reasons. This is subject to review by the Technology Director, staff, or administration.
- **Commercial Use** – It is unacceptable to offer, provide, or purchase products or services through FCS.
- **System Tampering** – Any unauthorized alteration of operating systems, individual accounts, software, networking facilities, and/or other programs.
- **Obscenity** – Students may not use the network to access material that is profane or obscene. This includes pornography, inappropriate music or text, etc.

INAPPROPRIATE CONTENT

The policy above states that students may not access any obscene or inappropriate content, that students should have no expectation of privacy, and that system monitoring may lead to the school discovering violations. Freire takes this issue extremely seriously and will issue consequences for violations.

Students are monitored by a service such as Gaggle, which uses technology and trained professionals evaluate content 24 hours a day for potentially harmful content, messages, documents, images and more. If there is discovery of objectionable content or a potentially harmful situation, the monitoring service alerts the school. Programs such as Gaggle are also required by federal law to report suspected child pornography to the National Center for Missing and Exploited Children.

If Freire’s automated monitoring system discovers that a student has accessed, stored or sent sexually explicit or inappropriate images, the school will impose discipline and parents and law enforcement will be notified if we suspect the student has committed a crime.

CHROMEBOOK USE

Freire Charter School is issuing each student in grades 5-12 a Chromebook. This network-wide investment in student technology will enable us to facilitate student learning during times of prolonged virtual learning, while also enhancing

our long-term ability to develop students' 21st Century skills including technology literacy, critical and creative thinking, and problem-solving.

The computing device will allow students to direct their own learning and have a greater reliance on active learning strategies. Students will be able to transfer knowledge across disciplines. The increased access to technology will enhance instruction and provide more achievement opportunities for our students.

Software: Only legally licensed software/applications, media, or other data is permitted on the Chromebook. As this computer is the property of Freire Charter School, we have the ability to install and uninstall software at our discretion and remotely. Students may not download software/applications, media (including songs, photos, videos) without a Freire Charter School's or Freire Schools Network Office employee's prior approval.

- Students MAY NOT replace the provided operating system on the Chromebook with any custom software or applications.
- Students MAY NOT remove or modify any school-installed software/applications.

Privacy: The Chromebooks provided are Freire Charter School property; therefore, any Freire Charter School or Freire Schools employee may examine the Chromebooks and search their contents at any time for any reason.

Neither students nor parents/guardians have any right to privacy of any data saved on the Chromebook or in any Freire Charter School network drives. Freire Charter School and the Freire Schools Network Office has the ability to remotely monitor student activity on this Chromebook and will do so at its discretion. The School will never access the camera when the camera has not been activated by the student.

Furthermore, Electronic mail, network usage, and all stored files shall not be considered confidential and may be monitored at any time by designated Freire Charter School or Freire Schools staff to ensure appropriate use. Freire Charter School cooperates fully with local, state or federal officials in any investigation concerning or relating to violations of computer crime laws, and may give proper authorities access to email, files, and network usage data during the course of an investigation.

Saving Files: Students should not save files on the device. Freire Charter School will provide students locations to save their school-related work. All files left on the Chromebook will be erased upon its return, and the school can take back the device at any time. Freire Charter School and the Freire Schools Network Office accepts no responsibility for lost files. Therefore, students should never use the Chromebook to store information or files intended for personal use.

Remote Access: As these devices are being distributed during a school closure, there may be times with Freire School IT staff need to access your device remotely for installation of software or IT support. Students and parents are expected to comply with all requests for access. Freire Charter School and the Freire Schools Network Office also has the ability to remotely access the Chromebook for purposes, such as locating a lost device, software or program updates, IT support, etc., and may do so without notice to you or your child.

School Rules: All rules, policies, and procedures of Freire Charter School that apply to students in school apply while using the Chromebook. School administrators may develop additional rules regarding use of the device in the future.

Media Access & Safety: Students will have access to all available forms of electronic media (websites, videos, files, etc.) and communication which are in support of Freire Charter School's educational goals and objectives. Some media and content have been blocked to better ensure the safety of our students. These filters do not replace the importance of parents/guardians in monitoring student Chromebook usage. Parents are expected to be partners in ensuring students' Internet safety.

Acceptable Use: All acceptable and unacceptable uses of technology outlined in the technology policies apply to student chromebooks.

Personal Use & Use by Others: The Chromebook is intended solely for the Freire student's educational use. Students are not permitted to use the computer for personal use. Family members and others are not permitted to use the Freire

Charter School computer for any reason except for assisting a Freire student with a school activity or using the device. Parent use to participate in a parent-school family meeting is acceptable.

Login Information: Students must log in only with their provided account information. Students may not provide their passwords to others. Users may be held accountable for actions performed under their account name if it has been determined that their account was negligently left accessible. If a user suspects their account security has been compromised they are required to immediately contact Freire Schools IT Support.

ZOOM EXPECTATIONS

All participants will be held to the following expectations during Zoom sessions:

- Participants will use appropriate language (no cursing, no derogatory language, no disrespect or yelling) during Zoom sessions.
- Participants will mute themselves when they are not speaking to limit background noise.
- Participants will be a positive contributor during the online environment.
- Participants should dress appropriately during the session i.e. no revealing or obscene clothing.
- Participants may not use personalized backgrounds; they may distract from learning.
- The chat feature in Zoom should be used appropriately and be focused on academic conversations. The teacher may disable this feature at her/his discretion.
- Participants will not be allowed to screen share unless given permission by Freire staff.
- Participants may not edit the shared screen of any zoom participant.

Please be advised that Zoom sessions may serve as a virtual classroom at times. All rules from your physical classroom inside of our FCHS building still apply to the virtual, at home classroom. Inappropriate language, defiance, disruption, and disrespect will and can result in removal from the Zoom learning experience. The Code of Conduct applies to students any time during the Zoom call, whether it be on video or in the 'chat'. If a student is removed from the Zoom learning space, they will be required to meet virtually with either a Dean or a member from the Admin Team before reintegrating into the Zoom. If the behavior continues, the student will be removed from the Zoom session for the remainder of the day and will have a follow-up conversation with their parents and guardians. At that time, it will be determined how the student can be best supported moving forward and reintegrated into future Zoom Session.

We are fully confident that our students will continue to breathe FIRE and uphold the Freire way in this new virtual setting. Please remember that we are a community that supports and lifts one another. Maintaining a safe and productive Zoom classroom is paramount to student success.

Please be aware that as with most software and websites, you are agreeing to Zoom's terms of use, including their privacy and data sharing provisions.

RECORDING OF STUDENTS

By having your child participate in audio/visual virtual learning or in-classroom learning where a teacher may be recording for virtual learning students, you give consent for their likeness, voice, and statements to be recorded as needed for educational purposes. Participation constitutes your consent under any applicable privacy laws, including the Pennsylvania Wiretap Act (18 Pa.C.S. 5703).

BOARD POLICY 208B: STUDENT USE OF CELL PHONES

Freire recognizes the importance of communication and collaboration and provides devices for students to be productive in the classroom. To keep the focus on academics and to reduce unnecessary distractions, the Head of School is authorized to develop a system of procedures and consequences related to topics including, but not limited to cell phone use. See below for the School's Cell Phone & Electronics Procedures.

PROCEDURE 208B: STUDENT CELL PHONES & ELECTRONICS

Phones are not to be used during school. Every student is assigned a personal Yondr Pouch. While the Yondr Pouch is considered school property, it is each student's responsibility to bring their Pouch with them to school every day and keep it in good working condition.

DAILY PROCESS

As students Arrive to School and before proceeding to classrooms they will:

1. Turn their phone off.
2. Place their phone inside their Pouch and secure it in front of school staff.
3. Store their Pouch in their backpack for the day.

At the end of the day, or if a student is permitted to leave campus for lunch, students will open their Pouch, remove their phone, close their Pouch and put it in their backpack. Students must bring their Pouch to school with them each day. Upon reentering the school building, the cell phone must again be pouched.

*Students arriving late or leaving early will pouch/unpouch their phones in the Main Office.

LEAVING CAMPUS AT LUNCH

If a student is eligible to leave campus for lunch, they are able to unlock their pouch and retrieve their phone for use outside of the building only. Upon return from lunch, students have to "repouch" their phones in the presence of a staff member, similar to the process of arriving to school at the beginning of the day.

VIOLATIONS

Pouch Damage / Lost Pouch / Using Phone During School

If a student damages their Pouch or is caught on their phone, Administration will collect the phone/Pouch and call home for:

- The Parent to come to the school and Pick Up their child's phone or the phone may be confiscated overnight
- Additional Consequences may include: Community Service / In-School Suspension / Detention

Examples of damage:

- Ripped
- Cut
- Torn
- Pen/pencil marks
- Bent/cut pin
- Signs of force to black button on flap

FORGOTTEN POUCH

If a student forgets their Pouch, their phone will be collected and Admin will call home to remind the Parent of the policy. The phone will be returned to the student at dismissal.

If a student consistently forgets their Pouch, it is considered lost and the student will need to purchase another pouch for \$20.

IV. ACADEMIC POLICIES

GENERAL PROMOTION GUIDELINES

- Students receive academic credit for each class passed with a grade of 75% or higher. Any final year grade under 75% earns no credit.
- Any student failing one or two classes in an academic year will be required to attend summer school at Freire for each class failed. Summer school attendance is mandatory.
- Students will be retained (i.e. required to repeat a grade) in the following situations:
 - Any student who fails three or more classes in an academic year will be retained. The student will be required to repeat the grade level in its entirety (i.e. take all 6 classes over again). At the discretion of the Head of School or designee, a student who receives above a 90% in any class may be enrolled in the next grade level of that class.
 - Any student missing a total of three or more credits cumulatively by the end of the school year will be automatically retained. For example, a student who failed one class in 9th grade, did not earn that credit during summer school, then failed 2 more classes in 10th grade would be three credits short and would be retained in 10th grade, taking a mix of 9th and 10th grade classes to make up the credits.
- In order to enter 12th grade at Freire, each student must have earned 18 credits.

POLICY ON GRADUATION REQUIREMENTS

- Students must have twenty-four (24) credits, have completed all requirements for Senior Project, and completed one of Pennsylvania's Act 158 approved pathways to graduate.
- All credits must be earned in the following manner:
 - 4 English credits
 - 4 Math credits
 - 4 Science credits
 - 4 Social Studies credits
 - 2 Foreign Language credits
 - 6 Elective credits (including the course aligned with the Senior Project)
- The Act 158 pathways available to Freire students are the following:
 - **Keystone Proficiency Pathway:** Score Proficient on all three Keystone exams: Algebra, Literature, and Biology.
 - **Keystone Composite Pathway:** Earn a composite score of 4452 on the Keystones, with at least one score of Proficient and no scores of Below Basic.
 - **Alternative Assessment Pathway:** Students can qualify by achieving a certain score on standardized assessments other than Keystones, for example scoring a 3 or higher on AP exams, or by getting accepted to a 4-year college and maintaining a high school GPA of 85% and an average daily attendance rate of 85% during 11th and 12th grade.
 - **Evidence Based Pathway:** Students must collect three pieces of evidence from a defined list that includes acceptance to a 2-year college, completion of a service learning project, and maintaining a high school GPA of 75% and an average daily attendance rate of 80%.
- Only students who have earned all 24 credits as well as passed all requirements for Senior Project and Pennsylvania's Act 158 will be allowed to participate in graduation ceremonies.
- Students who have severely violated the Code of Conduct may be prohibited from participating in graduation ceremonies at the administration's discretion. The receipt of a diploma may be delayed until discipline matters have been settled.
- All outstanding student fees must be paid in full to receive a diploma.
- Any other graduation requirements set by Pennsylvania law. For students graduating in 2023-24 or later, this will include a new requirement to demonstrate proficiency on the Keystone Exams or satisfy alternate requirements.

All students have until September 30th of their graduation year to complete all graduation requirements. A student is no longer eligible to earn a diploma from Freire Charter School after September 30th.

ADVISORY

All students will be rostered in an advisory. On Mondays, Tuesdays, Thursdays, and Fridays, Advisory will be part of the first period of the day from 8:00-8:08AM.

On Wednesdays, there will be an Extended Advisory (called Crew) that will run for approximately 25 minutes. Students will be graded on their performance (EFFORT and MASTERY) in advisories. Attendance and lateness to school will be part of determining a student's grade for Advisory, along with completion of lessons and coursework given by the instructor. Advisory will be Pass/Fail and performance in Advisory can include:

- Applying extra credit to other classes
- Opportunity to go to field trips
- Additional privileges not reserved for other student

If a student does NOT pass Advisory, they will be required to attend Summer School.

12th grade students who do NOT pass Advisory will be subject to having Graduation and Senior Privileges and Trips revoked.

GRADING POLICY

Quarterly grades at Freire Charter High School reflect 70% Mastery and 30% Effort. Every assignment in a teacher's grade book is coded for either Mastery or Effort and is clearly labeled for parents and students.

MIDTERM AND FINAL EXAMS

Freire teachers will give midterms at the end of the first semester and final exams at the end of the second semester. Freire will follow amended schedules during these testing days. There will be one exam make-up day for absent students. Students are expected to report to each exam on time. **No extra time will be given for late students.**

MIDTERM AND FINAL EXAM WEIGHTING

Midterm and final exams will count as a percentage of the semester grade. The percentages increase by grade and are shown below:

- 9th grade – 10%
- 10th grade – 15%
- 11th grade – 15%
- 12th grade – 20%

SENIOR EXEMPTION

Any Senior holding a 93% average in a class as of the last grade check prior to final exams will be exempt from taking the final exam for that class. **(12th grade ONLY or 11th graders in courses with 12th grade students)**

PARENT-STUDENT-TEACHER CONFERENCES

Parent-Student-Teacher Conferences are held each year so that students can use their teachers' feedback in order to directly impact their grade for the remainder of the year. All parents/guardians are strongly encouraged to meet with every teacher, regardless of how successful their student's performance may be.

ACADEMIC INTEGRITY

Freire students are expected to create their own original work at all times. Any student who engages in academic dishonesty (i.e. plagiarism, copying, cheating) will not receive credit for that work. Severe cases of academic dishonesty or repeat offenses may be brought to the Board for expulsion.

Typical Consequences for Academic Dishonesty:

- First Offense: No credit on the assignment, conference with the Co-Heads of Academics, phone call home, PowerSchool write up.
- 2nd Offense: No credit on the assignment, parent meeting, academic contract, PowerSchool write up.
- 3rd offense: Informal hearing and recommendation for expulsion.

MAKE-UP PROCEDURES

MAJOR ASSIGNMENTS

Dragons are expected to immediately communicate the reason any major assignment is missed to their teacher and academic advisor via email, proactively if possible. The assignment will be scored a zero and flagged as missing until completed and turned in. Staff will communicate next action steps via a comment in powerschool next to placeholder.

- All classes will have a combination of mastery and effort assessments. For each mastery assessment's total point value available, there will be an equal number of effort points available (though these may be spread out over multiple effort assignments).
- Major assignments are determined by the teacher and indicated by gradebook weight.
- Major assignments must connect to a major standard(s) or collection of standards.
- Students may not turn in missed assignments after a designated period of time, as outlined in their class's syllabus.
- There will be a 10% point deduction from the assignments effort grade for each day the assignment is late.
 - This deduction can be paused if an action plan is initiated with a teacher or academic advisor in writing.

To receive an extension on an assignment's deadline, Dragons must submit a written request via email within three school days prior to the original due date. An extension will be up to the teacher's discretion with the approval of the team leader.

- Verbal agreements will not be enforced.
- Dragons experiencing any hardship that prohibits timely submission of assignments should communicate this to their teacher, case manager and/or academic advisor.
- Grade-level teams may impose additional policies.

LATENESS TO CLASS

Any student arriving late to class without an excused absence will not be permitted to make up missed work or receive credit for homework. Any major assignments handed in at that time may be counted as late at the teacher's discretion. Any student late for class without an excused absence during a test or quiz will not receive extra time.

Students who are late to class will be issued a detention (lunch or after school).

ABSENCES

Please see the Student Attendance Policy in the Code of Conduct section of this handbook for procedures concerning make-up work related to absences.

PROCEDURE FOR POWERSCHOOL AND GRADES

Parent access to a student's grades through PowerSchool will provide an opportunity for ongoing conversations regarding academic progress. PowerSchool allows parents to see their student's progress, assignment grades, write-ups, comments and recent attendance.

Families each get a username and password to login to see their child's grades. Grades are updated often but can only be considered truly accurate and up-to-date on the 15th and 30th of every month (the last time grades were updated for each class is shown at the bottom of the screen in PowerSchool). If there are academic questions or concerns, parents are encouraged to reach out to teachers by email. Teachers will respond within 2 business days. More serious or

general concerns can be addressed to Academic Advisors, Director of Academic Affairs, or the Assistant Head of Academics.

ATHLETIC ELIGIBILITY

A student who participates in interscholastic athletics at Freire Charter School, which is a member of the Pennsylvania Interscholastic Athletic Association, Inc. (PIAA), must adhere to the PIAA eligibility rules for student athletes.

To be eligible to participate in a sport, you must follow the guidelines below.

ACADEMIC/BEHAVIORAL EXPECTATION

- Must be passing 5 of their 6 classes.
- Must attend school the day of the event.
- Must submit a doctor's note to return to school and to participate in sports if absent for three days or more.
- Must not be suspended or have any serious* discipline issues for the reporting period.

*Serious is defined as a write-up for defiance, disrespect, or disruption.

NOTE: Any student who is suspended will lose their eligibility for a 5-day period that will begin on the first day of reinstatement.

ASSESSMENT OF ELIGIBILITY

Athletic participation lists will be generated on the 15th and the 30th/31st of each month. All students who do not meet the expectations outlined above will not be able to participate for a 5-day period. After 5 days the ineligible student's academic record will be checked again. If they meet the eligibility requirements, they will be cleared to play until the next eligibility period. **There will be no exceptions.**

GENERAL EXPECTATIONS

- Must be a leader inside and outside of the school.
- Must get all work covered and missed while away from school due to a game.
- Must have a physical completed before joining the team.
- Must have a parent permission form completed.

A student who has reached their 19th birthday by June 30th immediately preceding the current school year, may not participate in Freire athletic teams.

NATIONAL HONOR SOCIETY

For many students, selection as a member of the National Honor Society (NHS) is the pinnacle of their achievements in school. This honor, recognized throughout the nation, is both the public recognition of accomplishment and the private commitment to continued excellence on the part of the new member.

SELECTION PROCEDURES

One must remember, however, that selection to the National Honor Society is a privilege and not a right. In an effort to clarify how students are selected to the NHS at Freire, the steps of the selection process are outlined below.

- The Director of Academic Affairs reviews the transcripts of the members of the Sophomore, Junior and Senior classes. Any student who has a cumulative grade point average (GPA) of 88.00 and higher is placed on a list of potential members, and this list is given to the NHS advisor.
- The NHS advisor distributes an application to each student on the above list. Students must complete this form by the stated deadline if they wish to be considered for membership.

- The NHS advisor forwards all returned applications to a 5-member Faculty Council. The advisor also reviews discipline history from the Log Entries section in PowerSchool. This information is forwarded to the Faculty Council.
- The Faculty Council meets to review each student's completed form and the Dean's remarks. The council examines each student in terms of his or her character, leadership, and service.
- After assessing the data, the members of the Faculty Council take a vote on each student to decide whether he or she will become a member of the NHS. A student who wins a majority of the votes is approved for membership to the NHS.
- Students are notified in writing about their selection to the National Honor Society.

MEMBERSHIP

In order to maintain membership in the National Honor Society, students must:

- Maintain their 88.00 overall GPA at the conclusion of the school year
- Complete 20 community service hours by the conclusion of the school year

DISMISSAL PROCEDURES

Every National Honor Society member should remember that he or she must be the embodiment of scholarship, service, leadership, and character. These four pillars are what earned you the honor of becoming an NHS member in the first place. At times, a member may fail to maintain the expected high standards, and it will become necessary to formally warn this member.

The following actions will result in a formal warning:

- Failing to attend a scheduled meeting without informing advisor in person of your absence in advance
- Accumulating more than 5 write-ups in any quarter
- Failing to complete an assigned responsibility (e.g. not showing up at an activity you are scheduled to do)
- G.P.A. drops below 88.00
- Severe violations of the Code of Conduct

The Faculty Council will meet once every three months—unless an emergency meeting is called—to review the records of each NHS member. If, as a body, the Faculty Council decides you have not fulfilled your duty as a National Honor Society member, the honor of being a member of this society may be removed from you. You have the right to a pre-dismissal hearing and to be notified in writing of the actions being taken against you, the reasons for such actions, and the time and date of the hearing. You have the right to respond either in writing or orally.

V. GENERAL POLICIES AND PROCEDURES

COMMUNICATION DURING A HEALTH EMERGENCY

It is crucial that the School is able to get in contact with all Freire students and parents/guardians, especially in the event of a global health emergency. It is critical that students and parents/guardians check and read their emails regularly and answer any texts or phone calls from the School. It is imperative that you do not block the phone numbers the school uses to communicate with you as that will prevent us from alerting you to an emergency in addition to missing important information.

VIRTUAL PARENT MEETINGS

In the current health environment, it is important that parents/guardians are able to participate in virtual parent meetings when necessary. This has been made possible by providing Chromebooks and ensuring every student has

internet access. We ask that parents/guardians make every effort to attend and engage in virtual parent meetings in the same manner as a meeting in which they previously would have been called into the school to meet.

ID CARD PROCEDURE

Identification pictures will be taken at orientation and then again on a make-up day. A student's first ID card is provided free of charge. If the card is lost there will be a \$5 charge to replace it, but IDs that are in poor condition will be replaced free of charge.

LOCKER PROCEDURES

All lockers are assigned at the discretion of the Deans' Office for the convenience of each student and remain the property of Freire. All students who receive permission to use a locker must sign an agreement stating the terms and conditions for its use. Only school-issued locks may be put on a locker and non-school-issued locks will be immediately removed. Students are permitted to decline a school-issued lock, but will still be held accountable for any items found in or damage to the locker assigned to them. Students may request a lock in the future if they desire. Students are to only use the locker assigned to them. Sharing lockers is not permitted. The school reserves the right to periodically and randomly open and inspect lockers at any time and without notifying the student a locker has been assigned to. All items found in lockers not assigned to that specific student, or those that do not have a school-issued lock on them, will be removed.

LUNCH PROGRAM & PROCEDURES

All students are eligible for free lunch for the entire school year. There is no sign-up process required. Students simply have to present their school ID or student ID number to the lunch staff each day prior to receiving their lunch.

TRANSPORTATION PROCEDURE

Students in grades 9-12 who reside in Philadelphia and meet eligibility requirements will receive a SEPTA Key Student Fare Card from the School District of Philadelphia. Although Freire is responsible for distributing the SEPTA cards, the School District of Philadelphia is responsible for determining eligibility and then issuing passes to the school for distribution. Although Freire Charter School does not determine eligibility nor do we have any authority over SEPTA cards, we still encourage parents to contact us with any questions and concerns. We will work to resolve any outstanding issues. If you DO NOT reside in the School District of Philadelphia, you need to contact the district you reside in.

ELIGIBILITY FOR SEPTA KEY STUDENT FARE CARDS

A student must meet the following requirements in order to be eligible for a SEPTA card:

- Reside in the School District of Philadelphia
 - Residents outside the district please refer to the following section
- Live **MORE** than 1.5 miles from the school
 - The School District of Philadelphia determines this through addresses and zip codes

PROCESS FOR DETERMINING ELIGIBILITY

- At the beginning of the year the District will process the addresses of all students registered at Freire Charter School.
- The students who are deemed eligible (see eligibility requirements) will be placed on a list that is sent to the school.
- The District will provide Freire with a list of eligible students and a card for EACH of those students. Please note: The school **ONLY** receives a card for the students whose names appear on the eligibility list.

- This process takes sometimes up to a month or more before the District has coordinated all of the information. During this period Freire relies on parents to ensure that students have transportation to and from school.

Please note: Freire submits all paperwork to the District in a very timely fashion. Once that paperwork is submitted, Freire (and parents) have to wait until the District determines eligibility and then issues a card.

The school reserves the right to withhold any key card if it is deemed necessary by administration.

OUT OF DISTRICT RESIDENTS

Students who reside **outside** of the School District of Philadelphia must contact their home district directly in order to receive transportation.

According to Pennsylvania state law, districts are not required to provide transportation to students who attend a school that is more than 10 miles away from the home district.

Freire Charter School is not responsible for lost or stolen cards. If a student loses their pass or it is stolen, the student/parent will be responsible for his/her own transportation during that week. Please Note: The District provides one card per student. There are no “extra” cards.

EMERGENCY SCHOOL CLOSINGS

All school closings will be distributed through the school messenger system (automated phone calls and text alerts). School closing information may be available on local TV news outlets and on the radio at KYW 1060 AM. Freire’s KYW school closing number is 192.

TELEPHONE CALLS

OUTGOING CALLS FROM STUDENTS

Students will not be allowed to use the school phones for any reason. Exceptions may be made on a case-by-case basis, but this emergency use will be left up to the determination of the Dean of Students. Students who need to use the phone should approach the Head of School.

INCOMING CALLS TO STUDENTS

Students often receive emergency phone calls from parents with messages. **We will not interrupt a class with these messages unless it is a dire emergency.** A school administrator will determine the severity of the emergency; therefore, the receptionist will forward all calls to the Head of School. The Head of School will assess the situation. If the situation is not deemed an emergency, then a message will be taken and given to the student after class has ended.

VOLUNTEER PROCEDURES

All volunteers (parents, grandparents, community members) must have all clearances required under Pennsylvania law on file with the school. All duties and arrangements will be made by the appropriate school administrator. Volunteers are assigned duties by the Head of School and will work directly with an administrator, who will work with faculty or staff for appropriate placement and directions for the volunteer work. Any other arrangements must be cleared by the Head of School.

If you would like to volunteer at Freire High School (including parents chaperoning a field trip), please notify Matt Kong (matt@freireschools.org), Human Resources Manager at Freire Schools Network Office, who tracks all clearances for Freire.

Volunteers are required to obtain the following clearances:

- Child Abuse History Clearance from PA DHS

- Criminal Record Check from PA State Police
- FBI Fingerprint Background Check (if the volunteer has not been a continuous resident of PA for the last 10 years)

Effective 7/25/15, the fees for child abuse clearance and PA criminal background check have been waived for volunteers. Volunteers should obtain their clearances online and when prompted to select the reason for the clearance, they should select "VOLUNTEER." This will ensure that they are not charged a fee. The fee for the fingerprint clearance still applies.

For more information, please visit <http://keepkidssafe.pa.gov/clearances/index.htm>.

VISITOR PROCEDURE

All visitors to the school, including parents, mentors, vendors, contractors, etc. should first sign in with the receptionist. Visitors will be given a name tag, which they must wear at all times while in the building. The name tag will say "VISITOR" and the date of the visit. **Any visitor who fails to adhere to this policy will be considered a trespasser. The administration will deal with trespassing by contacting the police. Students who are expelled or have chosen to withdraw from the school are not permitted on school grounds during school hours.**

All Visitors are required to follow the School's current health and safety plan. Any visitor who violates these health guidelines will be asked to leave the school building.

PARENT VISITATION

The administration and faculty of Freire Charter School consider the parents/guardians as our partners in the educational journey of the students who attend our school. In order to make your visit to school more profitable to you and us, and safe for all students, we ask the following:

- Please schedule your visit in advance. A phone call to the school will alert all staff of your presence.
- Classroom visits must be approved by the Co-Heads of Academics and scheduled through the respective teacher.
- If you desire a conference with a teacher, make an appointment through the office of the Co-Heads of Academics. Classes will not be interrupted for this purpose.
- All visitors must abide by the above visitor policy or risk being denied entrance to the school.

FIELD TRIPS

Field trips are an essential part of learning. At Freire, students are strongly encouraged to participate in field trips unless a parent gives notice that a child is not permitted to participate. In order to ensure student safety, the school requires that a student's parent/guardian complete a permission slip for field trips. Freire offers the option for parents/guardians to give consent for any and all field trips or educational activities that may occur outside the school building which are held during regular school hours and within the city of Philadelphia. There will be a parent communication prior to any field trip and parents will have the option to request that their child remain at school rather than participate in that field trip. Separate permission slips will be required for trips outside of Philadelphia or which start before or end after regular school hours. The appropriate permission slip must be signed by a parent/guardian and returned to the School by the deadline, either on paper or through the school's online permission slip platform. **The school cannot accept verbal consent or any other form of parent/guardian authorization besides the fully completed and signed permission slip.** The School reserves the right to deny participation in field trips or activities at the discretion of school administration.

LOST AND DAMAGED PROPERTY

SCHOOL PROPERTY

Students are responsible for taking care of and returning school property provided for their use – including but not limited to books, locks, lockers, lab equipment, laptops, sports uniforms, sports equipment, etc. Families will be billed for lost or damaged items. Students will be required to pay off all account balances prior to receiving transcripts or diplomas.

PERSONAL PROPERTY

Freire Charter School is not responsible for students' or community members' personal property brought onto the school's campus or to any school activities regardless of location. Students and visitors are responsible for ensuring that their personal property is secured against theft or loss at all times. Valuables such as wallets and phones should be kept with you or locked at all times, never left unsecured and unattended.

FREEDOM OF EXPRESSION POLICY

The Constitutions of the United States and the Commonwealth of Pennsylvania guarantee a student's right to freedom of speech. This right is guaranteed in school unless the right to express themselves causes one or more of the following consequences:

1. Materially and substantially interferes with the education process
2. Threatens harm to the school or community
3. Encourages unlawful activity
4. Interferes with another individual's rights.

FREEDOM OF EXPRESSION PROCEDURES

In these circumstances the school will take action necessary to protect the educational environment. Student publications, handbills, announcements, assemblies, group meetings, buttons, and other means of communication must conform to the following additional conditions:

1. All posted, distributed or printed material must be presented to the Head of School or his/her designee for approval prior to distribution or posting
2. Identify at least one student who is interested in posting or distributing the information
3. The students must obey laws governing libel and obscenity
4. Be aware of the feelings and opinions of others and give others a fair opportunity to express their views

SUMMARY OF STUDENT HEALTH POLICIES

The School's health policies are summarized below. Copies of the complete policies are available upon request.

ILLNESS PROCEDURES

When the nurse is on site:

When the nurse is on site, s/he is the person who will determine whether or not the student is able to return to class. If the nurse determines that a student needs to leave, then s/he will contact the parents and request that they pick up their student. The nurse is the only person who has the authority to determine a student must leave for the day.

When the nurse is NOT on site:

On days that the nurse is not at the High School, the school will honor the wishes of the parents/guardians as to whether the student should stay in school for the day. In the event the nurse is not available and the school and parent do not agree about the resolution, a Head of School will have the authority to determine whether the student is too ill to stay in school. In the event a student is too ill to remain in school a parent/guardian should sign the student out and pick them up for an Early Dismissal. In instances where this is not feasible, the school may release the student after the parent/guardian completes the Early Dismissal Survey (listed above).

Note: When the school determines that a student must be sent home due to illness, their absence for the remainder of the day shall be excused.

Medical Emergencies & Accidents

In the event your child has a medical emergency (defined as an incident that requires immediate medical attention), we will make him/her comfortable and begin appropriate first aid procedures. If your child needs to be transported to a hospital, an ambulance will be called. A school staff member may or may not accompany your child to the hospital and may or may not stay with him/her until you arrive. If you cannot be reached, we will attempt to contact the emergency numbers you have listed as emergency contacts.

WELLNESS POLICY

Freire Charter School is fully committed to doing anything and everything it can to provide for, facilitate, and maximize student achievement and success at Freire, in college, and throughout life. This commitment to student achievement and excellence is behind Freire's wellness policy. Ubiquitous research shows clearly that students who eat better do better in school. Research also shows that students who participate in physical activity several times or more during the week outperform their peers who do not participate in frequent physical activity. This policy is in place in order to realize Freire's commitment to students and to comply with Provisions of the Healthy, Hunger-Free Kids Act of 2010 and its implementing regulations, specifically 7 CFR §210.31.

Please see the school website for the School Wellness Policy #212, including goals and programs that promote student wellness, Freire's food standards and sales guidelines, policy review process, etc.

HEALTH EXAMINATIONS AND SCREENINGS

MEDICAL AND DENTAL EXAMINATIONS

Physical examinations are required upon entry to Freire and in eleventh grade. Dental examinations are required upon entry. Students without adequate health records who are transferring from other schools are required to be examined as soon as possible upon entry to Freire. These examinations may be completed no more than one year prior to a student's entry into the grade where an exam is required. Entry is considered to occur on July 1.

HEALTH SCREENING TESTS

The following screening tests shall be conducted by a nurse or medical technician following Department of Health requirements and guidelines:

- **Vision:** Near and far visual acuity tests are conducted annually for all students.
- **Hearing:** Initial hearing screenings are conducted in eleventh grade.
- **Growth:** Height and weight measurements are taken annually.

IMMUNIZATIONS

Students who are not in compliance with Pennsylvania immunization requirements may not be permitted to attend school. All parents/guardians are required to provide a Certificate of Immunization or other valid immunization record for their student. If the School is unable to ascertain whether a student has received all required immunizations, the student may then be admitted **only under one of the following conditions:**

- The parent/guardian provides proof of vaccination for all single dose vaccines and the first dose of all single dose vaccines, as well as an immunization plan ("Medical Certificate") signed by a health practitioner for any remaining doses of a multiple dose vaccine series within 5 school days
- The student is transferring directly from another Pennsylvania school and can provide immunization records within 30 days
- The student is unable to provide records due to being in foster care and can provide immunization records within 30 days
- The student is unable to provide records due to being homeless

- A physician provides a written statement that immunization may be detrimental to the health of the student
- The parent/guardian objects in writing to the immunization on religious grounds or on the basis of a strong moral or ethical conviction similar to a religious belief

REQUIRED IMMUNIZATIONS

Immunization	Grades 9-11	Grade 12
Diphtheria, Tetanus, Acellular Pertussis	5	same
Polio	4	same
Measles, Mumps, Rubella	2	same
Hepatitis B	3	same
Varicella (vaccine or disease history)	2	same
Meningococcal	1	2*

*Only 1 dose of Meningococcal is required if the first dose is given at age 16 or older

REPORTING OF POTENTIAL STUDENT MEDICAL CONDITIONS

All teachers must report to the School any unusual behavior, changes in physical appearance, changes in attendance habits, or changes in scholastic achievement which may indicate impairment of a student's health. Likewise, the School will inform teachers of the health conditions of students which may affect behavior, appearance, or scholastic performance. The School may, upon referral by a teacher or on their own initiative, advise a student's parent/guardian of the apparent need for a special medical or dental examination. Parents/guardians should note that the Health Insurance Portability and Accountability Act (HIPPA), allows the School and a student's physician to communicate with each other without written authorization of the parent/guardian if it is for treatment purposes of the student.

ALLERGY MANAGEMENT POLICY

Parents/guardians have the responsibility to notify the School immediately of all student allergies and include all information requested under School procedures. See the Allergy Management Policy #211.3 on the school website for more information.

MEDICATION ADMINISTRATION POLICY

Ideally, the administration of medication should take place at home. However, students may require medication administration during school hours in order to function optimally in the classroom in certain circumstances. **All medication administered to students at school (prescription and over the counter) must be given only under a physician's authority and the written consent of a parent/guardian, except during life-threatening emergency.** Written authorizations from parents must be renewed at the start of each school year. Parents/guardians who wish to exercise their right to opt out of allowing the School to administer emergency epinephrine treatment for their child must contact the School. The Pennsylvania Public School Code, Section 1414.2(g) allows parents/guardians to request an exemption to the administration of an epinephrine auto-injector for their student. In order to request this exemption, parents/guardians must contact the School to make an appointment to discuss this decision, review and sign the opt-out form.

Please see the Medication Administration Policy #211.4 on the school website for more information.

DIABETES CARE AND MANAGEMENT

For a student to receive diabetes-related care and treatment at school, a parent/guardian must provide written authorization and instructions from the student's health care practitioner. This information will be used to create a diabetes management plan, which must be consistent with a student's Section 504 Service Agreement.

OBSERVING THE HEALTH AND SAFETY PLAN

It is important that every member of the Freire community observes and follows the School's health and safety plan. These health and safety measures are subject to change as we learn new information and guidance is released by local, state, and federal health officials. Ensuring your student observes these health measures protects the health of your child and all others in the school building. Violating the safety measures inherently violates the safety of others in the school community and therefore it is considered a serious offense, which will be met with disciplinary action as outlined in the Student and Family Handbook.

To preserve public health and safety, parents/guardians are obligated to inform the School if a student has tested positive or has been exposed to someone with COVID-19 and attended school in-person while potentially contagious. Every member of the Freire community is obligated to notify the school of any observed or potential violations of the health and safety plan.

Freire Charter School's Health and Safety Plan is available on the School's website.

FIELD TRIPS, BEFORE- AND AFTER-SCHOOL, AND SUMMER PROGRAMS AND ACTIVITIES

Section 504 of the Rehabilitation Act of 1973 has been interpreted to require that students with disabilities have access to non-academic services such as field trips and cannot be denied access to school programs and activities on the basis of that disability. All students participating in school-sponsored programs are entitled to the same health services they need during the regular school day. Contact the School's 504 Coordinator for more information.

CONCUSSION PROTOCOL

If a student-athlete receives a bump, blow or jolt to the head, he/she will be removed from play immediately. If the student-athlete is determined by a game official, school staff member or present healthcare professional to exhibit signs or symptoms of a concussion, the student-athlete will not be allowed to return to participation that day. The School staff member will notify the parent/guardian or relevant emergency contact.

If the student-athlete was not allowed to return to play the day of the bump, blow or jolt to the head, the student-athlete cannot return to participation/play at all until he/she has been evaluated and cleared by an outside healthcare professional and presents signed documentation stating such.

STUDENT HEALTH RECORDS PROCEDURE

The School will maintain a comprehensive health record for each enrolled student, containing all the information the School obtains concerning the health of the child. All student health records are confidential, and their contents will be divulged only when necessary for the health of the child, at the request of the parent/guardian to a physician legally qualified to practice medicine, or to the student's new school if the student transfers.

When new students enroll at Freire Charter School who previously attended any other Pennsylvania school, the School will request the health records of those students from their previous schools. When a student transfers from Freire Charter School to any other Pennsylvania school, the School will send a copy of the student's health record to the new school upon the request of the new school, or to a parent/guardian if the child does not enroll in another Pennsylvania school.

The School and individuals acting on behalf of the School will comply with applicable privacy and confidentiality laws at all times. Student health records are primarily governed by the Family Educational Rights and Privacy Act (see the FERPA Policy for more information).

ACKNOWLEDGEMENT OF RISK

The School has developed a health and safety plan in accordance with all local, state, and federal health guidance. However, the School cannot be the guarantor of health for all students and every individual family should make its own decision about their own health and abide by local guidelines and school rules. Students and families must comply with the School's health and safety plan, whether participating in virtual learning or in-person learning.

Families and students must notify the school of any observed or potential violations of such health guidelines. In order to preserve public health and safety, every member of the Freire community needs to observe the rules, which are subject to change in accordance with any changing guidelines.

Thermal Imaging, Temperature Checks, and Isolation

In an effort to keep the Freire community safe, students may be subject to thermal imaging camera screenings, temperature checks and, if presenting symptoms of a highly contagious illness, be placed in an isolation room in the building until they are able to be picked up by a parent/guardian. All information collected will be kept confidential to the extent required by applicable law.

PPRA Notice and Consent/Opt-Out for Specific Activities

The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. § 1232h, requires Freire Charter School to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas ("protected information surveys"):

- Political affiliations or beliefs of the student or student's parent
- Mental or psychological problems of the student or student's family
- Sexual behavior or attitudes
- Illegal, anti-social, self-incriminating, or demeaning behavior
- Critical appraisals of others with whom respondents have close family relationships
- Legally recognized privileged relationships, such as with lawyers, doctors, or ministers
- Religious practices, affiliations, or beliefs of the student or parents
- Income, other than as required by law to determine program eligibility

This requirement also applies to the collection, disclosure or use of student information for marketing purposes ("marketing surveys"), and certain physical exams and screenings.

Freire Charter School will provide parents, within a reasonable period of time prior to the administration of the surveys and activities, notification of the surveys and activities. Parents will be provided an opportunity to opt their child out, as well as an opportunity to review the surveys. (Please note that this notice and consent/opt-out transfers from parents to any student who is 18 years old or an emancipated minor under State law.)

2. Do not discuss any student or his/her situation in public.

ANNUAL FERPA NOTIFICATION

Annual Notification of Rights under Family Educational Rights and Privacy Act (FERPA) for the 2023-24 School Year/Notice to Parents and Guardians Regarding the Disclosure of Student “Directory Information”

The Family Educational Rights and Privacy Act (FERPA), a federal law, affords parents, legally emancipated students, and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records.

These rights are briefly summarized below and are explained more fully in the Board’s Student Records Policy which is on file at the school and is available upon request. You are encouraged to review the School’s Student Records Policy for a full explanation of privacy rights:

1. The right to inspect and review the student’s education records within 45 days of the day the Freire Charter School (“School”) receives a request for access. Parents or eligible students should submit to the School CEO a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask the School to amend a record that they believe is inaccurate or misleading. They should write to the School CEO, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise him or her of the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official may include a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law unit personnel); a person serving on the Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); contractors, consultants, volunteers, and other outside service providers used by the school; or a parent or student serving on official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue SW
Washington, D.C. 20202

ACADEMIC SCHOOL YEAR CHILD FIND PROCESS

Freire Charter School has created a multi-disciplinary team to determine the need for further evaluation. The process is as follows:

- Every quarter, academic deans as well as teachers compile curriculum-based performance reports for each student assigned to their caseload. This may take the form of a report card, a progress note, or some other format.
- Teachers screen these reports to determine which students are struggling academically. Any students appearing to need extra support are referred to the Co-Heads of Academics for either informal instructional support or some level of our response to intervention program, depending upon the needs of each student.
- Parents and students are notified and invited to an informal meeting to discuss student needs and teacher/parent concerns. A determination is made to refer students for response to intervention remediation and support, and/or a multi-disciplinary evaluation.
- Midway through the following quarter, academic deans check on the grades and progress of these students using a three-pronged criteria:
 - Is the student coming for extra help?
 - Is the student completing homework assignments?
 - Is the student passing?
- Teachers are then asked to determine whether the student appears to need further evaluations and/or supports. This may lead to an eventual full evaluation, conducted by a school psychologist. In the case of a full evaluation, parents, teachers and students meet to discuss the results and potential outcomes of the evaluation process. NOTE: In order for a Freire student to go through a full evaluation with a school psychologist, the parent must give consent on Freire's Permission to Evaluate form.
- A student is referred for a full evaluation only after reasonable regular education and response to intervention options have been exhausted and/or the student's needs have demonstrated significant resistance to intervention within the regular education classroom.

SUMMER CHILD FIND PROCESS

In an effort to most efficiently and proactively identify students with disabilities Freire Charter School extends its Child Find process to encompass the summer school program; as it is likely that unidentified students with disabilities will experience a degree of academic difficulty that requires the attendance of summer school.

The administrators and teachers at Freire Charter School will review the academic histories and transcripts of the students attending the summer school program. The school officials may identify students who have experienced chronic educational difficulties to be referred for a formal educational screening and/or a Full Scale Evaluation by our school psychologist (MDE). The following guidelines will be utilized to determine which students require assessment as a component of the school-wide Child Find process:

- If a student is enrolled in summer school for the second consecutive year or more, such students may be referred for a screening and/or a Full Scale Evaluation by our school psychologist.
- If the student is enrolled in summer school for the areas of science, social studies, and language arts, such students may be referred for a screening and/or a Full Scale Evaluation by our school psychologist.
- If the student is an eighth grader and is enrolled in two or more summer school classes, the student may be referred for a screening and/or a Full Scale Evaluation by our school psychologist in attempt to actively identify

students with disabilities prior to the development of a chronic pattern of educational failure at Freire Charter School.

- Students who present evidence of underachievement and/or whose educational difficulties are related to factors other than a disability may not be referred for a screening and/or a Full Scale Evaluation by our school psychologist. However, efforts will be made to identify other resources and supports to assist in meeting the educational needs of such a student. Further, Freire Charter School strongly encourages the parents of such students to actively engage in working with their son/daughter to address the barriers to his/her educational success.

VI. EMERGENCY PROCEDURES

What the School Needs from Parents/Guardians in an Emergency

- In the event of an emergency, please remain calm and understand that the school is prepared to respond to any type of emergency situation.
- Do not call the school, as an influx of phone calls may inhibit our ability to respond to an emergency. The school understands that communicating with parents during an emergency is a priority and will do so as soon as possible.
- If you DO NOT want your child dismissed to SEPTA should the school need to dismiss students from an evacuation site, make sure that the reunification request is filed with the school. Contact the Head of School: (215) 557-8555 x1916.
- Please realize that if your child is dismissed to use public transportation they MOST likely will not have their personal belongings with them. This includes coats, book bags, purses etc.
- The school will provide emergency SEPTA tokens for students who do not have their SEPTA card with them when the school building is evacuated.
- Please review this entire plan and ask questions. Make sure that you understand exactly what will happen and the steps the school will take in response to an emergency.
- An emergency can happen at any time, so we need you to make sure that the following information is always up to date in our system:
 - Guardian/Parent phone numbers:
 - Cell
 - Work
 - Home
 - Emergency Contacts:
 - Name/relationship and contact numbers
 - Reunification paperwork up to date and submitted

EMERGENCY DRILL PROCEDURE

If a drill takes place either during or after school hours, students or parents/guardians are not permitted to leave the premises until the drill is complete.

PARENT/GUARDIAN NOTIFICATION

Parents will be informed of school emergencies as soon as possible. The following communication tools will be used during an emergency:

SCHOOL MESSENGER AUTOMATED SYSTEM

Calls and/or messages will be sent out periodically so that parents and guardians can have up to date information.

TEXT ALERT AND/OR REMIND APP

Please note that only students or parents who have signed up for this service will receive these messages. Contact the Head of School to sign up.

WEBSITE POSTINGS

PLEASE REFER TO THE SCHOOL'S WEBSITE FOR IN-DEPTH INFORMATION: [FREIRECHARTERSCHOOL.ORG](https://www.freirecharterschool.org)

APPLICABILITY

These procedures will be followed at all times (including after regular school hours) and in all facilities that Freire Charter School occupies to the degree that they are relevant and prudent.

FIRE AND GENERAL BUILDING EVACUATION PROCEDURE

In the event that the building needs to be evacuated, students will be evacuated to one of the two evacuation sites:

- Primary: Rittenhouse Square Park, 19th and Walnut Street entrance
- Secondary: First Unitarian Church, 2125 Chestnut Street

Parents will be informed of the evacuation as soon as possible via the modes of communication described above under "Parent/Guardian Notification."

Once students have arrived at the evacuation site and attendance has been taken the administration will take one of the following steps:

- If the building is safe, students will return to it and resume normal school activities.
- If the building is deemed unsafe, then the students will be dismissed from the evacuation site.

DISMISSAL PROCEDURES

In the event that the building is deemed unsafe and school is dismissed, the following procedures will be followed:

- The school will alert parents of the early dismissal via the modes of communication described above under "Parent/Guardian Notification" and on KYW (#192) and NBC 10.
- Students whose parents have elected for them to take SEPTA will be dismissed first.
- The school will provide an emergency token for students who do not have their SEPTA card.
- The administration will then notify the parents/guardians of any student who has not been given permission to leave on their own and follow their reunification instructions.
- Students will not be permitted to return to the building, which means that they may not have some of their belongings including coats, bags, etc.
- Because the school building may be unusable for a period of time after an emergency evacuation, the school will use the modes of communication described above under "Parent/Guardian Notification" to provide parents, students, and staff with updates regarding the schedule for the days following.

MEDICAL EMERGENCY DURING EVACUATION

In the event of a medical emergency during an evacuation the following provisions have been made:

- School nurse will respond to all emergencies with an extensive first aid kit. Included in the kit are:
 - Epinephrine pen (prescribed by the school's physician)
 - Albuterol inhaler (prescribed by the school's physician)
 - These items will be used only at the discretion of the nurse.
- In the event that the nurse is not available during an evacuation, the Head of School will bring a similarly equipped first aid kit.

Steps the administration will follow should a medical emergency occur:

- Move affected student to the nearest safe location.
- Call 911
- Student will receive appropriate medical care from the school nurse
- Contact student's family

LOCKDOWN PROCEDURE

A lockdown procedure will be enacted during one of the following situations:

- An intruder has entered the school building. An intruder is defined as any individual(s) who have not received permission from the school to be on school premises
- A violent/potentially violent event has happened outside of the school building and is a threat to students and staff in the school

The school will follow the procedures below when enacting a lockdown:

- 911 is immediately notified.
- All students in common areas will be cleared moved to a secure area.
- The command center (main office) will notify all classrooms that the school is entering lockdown.
- The front doors will be secured and locked and no one will be allowed in or out of the building (unless the dangerous individual attempts to leave).
- The only external communication during a lockdown will be from the school administration.
- As soon as possible, a school administrator will alert parents of the situation via the modes of communication described above under "Parent/Guardian Notification."
- The school will await the response of the police.
- Once the police are on the scene, the school will await their assessment of the situation and cooperate with them fully.

Procedures that will be followed in classrooms and offices:

- All doors will be locked.
- Windows will be covered.
- Lights and all equipment will be turned off.
- Students and teachers are expected to stay away from the door and be silent until the lockdown is lifted.

Once the police have cleared the building or declared the situation safe, the school will do one of the following:

- If the administration deems that students are able to return to a normal schedule, the school day will continue as usual with dismissal at the normal time.
- If the administration decides to dismiss the students due to the situation, then the reunification plan will be followed.

DISMISSAL PROCEDURES

- Students whose parents have elected for them to take SEPTA will be dismissed first.
- A school administrator will then notify the parents/guardians of any student who has not been given permission to leave on their own.
- These students MUST be picked up by a parent/guardian or designated emergency contact.
- Should a medical emergency occur during a lockdown, staff are equipped with a first aid kit that is stored in the classroom emergency kit.
- Emergency medical personnel will be on hand to deal with any potential injuries when the building is deemed safe by the police.
- Parents will be notified when the lockdown has been lifted and will be given any additional pertinent information.

SHELTER IN PLACE PROCEDURE

Shelter in place will be enacted under the following conditions:

- The school is directed by the Philadelphia Police or Fire Department to implement the plan
- The school determines that a dangerous condition exists outside the school building and that it is unsafe for community members to leave the school building

The procedure for shelter in place is as follows:

- The HVAC system will be shut down to minimize the entrance of outside air into the facilities.
- Any other building system that needs to be shut down (depending upon the situation) will be.
- Safety Team will alert all staff to shelter in place:
 - Students will continue to attend class and school functions will continue normally until the situation dictates otherwise.
 - The front door to the school will be locked and no one except emergency personnel will be permitted to enter or leave the school.
 - The safety team will ensure that all other doors are secured.
- As soon as possible, a school administrator will alert parents to the situation via the modes of communication described above under “Parent/Guardian Notification.”

Should the need arise for shelter in place to continue beyond the normal school day, special arrangements will be made accordingly:

- Students will not be dismissed until the school administrators have been alerted by the Fire or Police Department that it is safe to dismiss, or the school administration deems that it is safe for community members to leave the building.
- The school will provide necessary food, water, and other provisions to all community members during a shelter in place scenario.
- Parents/guardians will be informed once the situation has been resolved.

REUNIFICATION PROCEDURE

In the aftermath of an emergency, including a lockdown, Freire Charter High School will enact the reunification plan. Upon the administrators’ determination that students will be dismissed, the school, parents, and students will follow these procedures:

In the event that students stay at 2027 Chestnut Street:

- A school administrator will alert all parents/guardians via the modes of communication described above under “Parent/Guardian Notification” when dismissal will begin.
- At the chosen dismissal time, students will proceed to their homeroom with their belongings.
- The greeter will be stationed at a table at the front door.
- The greeter will check IDs to make sure that the person picking up a student is a parent/guardian, of the child or a designated person from the emergency form.
- Once verified, the parent/guardian will proceed to the cafeteria.
- A school official will be in the cafeteria, where the parent/guardian will relay their child’s name. The school official will radio up to the school designee on the second floor, and the child will be sent down to meet up with the parent/guardian.
- When reunified, the parent/guardian and child will “check out” with a school official positioned at the Ludlow Street exit.

In the event that students go to the emergency location:

- A school administrator will alert all parents/guardians via the modes of communication described above under “Parent/Guardian Notification” when dismissal will begin.
- Students will follow their teacher to the emergency location, with their belongings if at all possible.
- Students will sit with their class in a specific area of the location, so that their safety is maximized.
- The greeter will be stationed at the location referenced in the SCHOOL MESSENGER, at a table in the front of the locale.
 - Parent/guardian will be directed to the check-in area.
 - The greeter will check IDs to make sure that the person picking up a student is a parent/guardian of the child, or a designated person from the emergency form.
 - Once verified, the parent/guardian will proceed to the meeting place as their child’s name is radioed to a school official assigned to the teacher’s area.
- A staff member will proceed to the student’s area, and escort the student to the meeting place where the parent/guardian is waiting.
- When reunified, the parent/guardian and child will “check out” with a school official positioned at a designated exit.
- In the event that a parent/guardian/emergency contact person cannot be reached, the student will remain with school officials until contact/reunification is made.

PANDEMIC FLU RESPONSE PLAN

This plan is designed to manage the impact that any pandemic flu may have on the Freire community.

The Pandemic Flu Response Plan will be implemented whenever:

- A new strain of flu virus capable of infecting humans emerges and is present in the school’s general geographic area.
- The flu season is predicted to be uncharacteristically heavy.
- Absenteeism of students and/or staff is high due to flu-like illness.

The school plans to achieve this goal by instituting the following measures:

- **Cleaning measures completed at a minimum of once per day:**
 - All common touch areas will be wiped down with a 10% bleach solution (1:9 ratio of bleach to water).
 - Sensitive electronic equipment such as computer keyboards will be disinfected with bleach containing wipes. This disinfecting will be performed **once** daily.
 - All bathrooms will be checked **thrice** daily to ensure the presence of soap and paper towels in sufficient quantities.
 - All classrooms will be checked **every morning** to ensure they have tissues available.
 - All hand sanitizer dispensers in the school will be checked **daily** to ensure they are full and functional.
- **Completed on a weekly basis:**
 - All lockers in the school building will be wiped down with a 10% bleach solution.
 - Maintenance staff will make disinfectant wipes available throughout the school should staff or students wish to utilize them to disinfect their lockers, phone receivers, etc.
- **Social Distancing Measures:**
 - Students and staff with flu-like symptoms will be asked to remain home until at least 24 hours after they are free of fever (100°F or greater), or signs of a fever, without the use of fever-reducing medications.

- Students and staff with flu-like symptoms upon arrival to school, or who develop flu-like symptoms during the day, will be promptly separated from the general school population until they can return home.
- The room used for separation will be determined based upon the usage of school space at that particular time.
- **Education Measures:**
 - Education around respiratory and hand hygiene will be implemented.
 - Signage encouraging proper hand washing and covering one’s nose and mouth when coughing or sneezing will be heavily posted throughout school facilities.
 - Teachers will be asked to remind students of the essentiality of proper hand and respiratory hygiene practices.
- **Communication Measures:**
 - Parents and Students:
 - In the event of a pandemic flu outbreak, a letter will be sent home with all students and a copy will be mailed to their home. This letter will provide the following information:
 - Accurate and up-to-date information on the outbreak.
 - Parents will be reminded to keep their children home from school if they are exhibiting flu-like symptoms.
 - The letter will also detail the school’s response measures and provide any other pertinent information.
 - Additionally, the school will use all the communications means at our disposal to keep parents up-to-date.
- **Community Partners:**
 - The school will maintain open lines of communication with the Philadelphia Department of Public Health (PDPH) during any period of increased flu activity.
- **Attendance Policy:**
 - The school’s attendance policy of requiring a note from a student’s doctor when that student is absent due to illness will remain in place until the burden of absenteeism becomes such that this policy is no longer feasible.
 - When the school has made this determination, parents will be required to contact the Head of Academic Supports, and report their student’s absence directly to this individual in place of obtaining a doctor’s note.
 - Once the disease outbreak subsides the attendance policy will return to normal. The change in attendance policy will be announced to parents via a “One Call” phone message.

APPENDIX D: NONVIOLENCE AND COMMITMENT TO PEACE POLICY ACKNOWLEDGEMENT

The Board of Directors of Freire Charter School recognizes the importance of nonviolence and peacefulness in the educational program and strives to offer all students an educational environment free from violence. Violence of any kind deprives students and staff of a safe environment for learning. Nonviolence has come to be a way of life inside Freire Charter School, driven in large part by the students themselves. We ask all students and parents to acknowledge Freire's commitment to nonviolence.

My child and I have read, discussed, and agree to the following:

1. The nonviolence policy applies in school; on school grounds; in school vehicles; at designated bus stops; at activities sponsored, supervised, or sanctioned by Freire; and in any other situation where Freire has jurisdiction over a student's conduct.
2. Any act of violence is considered a violation of the code of conduct and may result in disciplinary consequences up to and including a recommendation that a student be expelled from Freire. Examples of acts of violence include hitting, fighting, destruction, weapons possession, intimidation, abuse, harassment, bullying, hazing, and sexual assault.
3. Unless leadership determines that there are extenuating circumstances requiring a different result, the disciplinary consequence for a student who engages in violence that causes physical harm to another individual will be a referral for a formal expulsion hearing.
4. Some acts of violence, including those listed above, may also constitute violations of the law of the Commonwealth of Pennsylvania. In those instances, law enforcement may be contacted by the school.
5. Freire offers proactive supports to students to prevent violence and uses restorative practices to respond to acts of violence. Supports may include orientation for new students, peer mediation programs, instruction in conflict resolution, connecting students and families with community resources such as family therapy and counseling, restorative circles, and other programs.
6. Freire students are expected to conduct themselves at all times in a manner that reflects a commitment to nonviolence. Students are expected to:
 - a. Act in a manner that affords all other students the opportunity to learn which is physically safe and free from distractions.
 - b. Admit mistakes, and take increased responsibility for their own learning and social actions.
 - c. Respect self and all others, and respect individual differences.
 - d. Behave appropriately while in school, on field trips, and in any forum where the student is representing the Freire community.
 - e. Avoid hurtful language.
 - f. Use appropriate channels to express concerns, fears, or complaints.

I, _____ (parent) understand that Freire is a nonviolent community, meaning that we resolve conflicts without violence of any kind. I promise to do my part to maintain a peaceful environment at Freire.

APPENDIX E: INFORMED CONSENT FOR COVID-19 TESTING

Freire takes the health and safety of our students and their families very seriously. One of the measures we are implementing this year to help control the spread of COVID-19 at our school, in addition to other measures such as mask-wearing and air filtration, is a COVID-19 testing program for students and staff.

HOW WILL THE TESTING PROGRAM WORK?

Currently, Freire's COVID-19 testing plans include:

- Using Abbott Laboratories BinaxNOW rapid tests provided by the federal government
- Only testing with the consent of the parent (or the student, if 18 or older)
- Testing all unvaccinated students and staff weekly
- Testing any individual who shows symptoms of COVID-19, regardless of vaccination status
- Immediately isolating any individual who tests positive
- Providing all test results (positive, negative, or invalid) to a student's parent/guardian by text message/email within 24 hours

WHAT IS THE BINAXNOW TEST LIKE?

Collecting a specimen for testing involves using a swab, similar to a Q-Tip, placed inside the tip of the nose. **This is a non-invasive shallow nasal swab, not a deep swab.** A school staff member or other individual who has been trained to use this test will collect the specimen, run the test, and send the results.

WHY SHOULD I CONSENT?

Using covid testing will be a critical part of our efforts to keep school open to the greatest extent possible for as many students as possible. When COVID-19 is detected early through testing, affected students can isolate/quarantine and prevent a large-scale outbreak that gets more people sick and forces the school to close. We hope you choose to participate in covid testing to keep our school as healthy & safe as possible.

WHAT SHOULD I DO WHEN I RECEIVE MY CHILD'S TEST RESULTS?

If your student tests positive for the COVID-19, they will be moved to a room away from other students and staff until you can pick them up. Currently, our school protocol for anyone who tests positive is to isolate at home for at least five full days, returning to school once they have been fever free without medicine for 24 hours and all other symptoms are improving. Students who are isolating at home may, to the extent they feel physically capable, participate in school virtually. and your child is no longer contagious. If your child's test results are negative, the virus was not found in the specimen tested and your child may continue to attend school without interruption. In a small number of cases, tests sometimes produce incorrect results. If your child receives a negative test result, they should still continue following all safety precautions. If your child receives a positive test result, you may always confirm the result by taking a PCR test, such as by making an appointment at a CHOP testing site.

DISCLAIMER

While we realize precautions will be taken for the safety of students, please understand that neither the test administrator nor Freire Charter School, nor any of its trustees, officers, employees, or organization sponsors are liable for any accidents or injuries that may occur to your child (or yourself, if student age 18 or older), as a result of agreeing to the test.

APPENDIX G: ACKNOWLEDGEMENT OF THE HEALTH AND SAFETY PLAN AND VIRTUAL LEARNING PROVISIONS

OBSERVING THE HEALTH AND SAFETY PLAN

It is important that every member of the Freire community observes and follows the School's health and safety plan. These health and safety measures are subject to change as we learn new information and guidance is released by local, state, and federal health officials. Ensuring your student observes these health measures protects the health of your child and all others in the school building. Violating the safety measures inherently violates the safety of others in the school community and therefore it is considered a serious offense, which will be met with disciplinary action as outlined in the Student and Family Handbook.

To preserve public health and safety, parents/guardians are obligated to inform the School if a student has tested positive or has been exposed to someone with COVID-19 and attended school in-person while potentially contagious. Every member of the Freire community is obligated to notify the school of any observed or potential violations of the health and safety plan.

Freire Charter School's Health and Safety Plan is available on the School's website.

ACKNOWLEDGEMENT OF RISK

The School has developed a health and safety plan in accordance with all local, state, and federal health guidance. However, the School cannot be the guarantor of health for all students and every individual family should make its own decision about their own health and abide by local guidelines and school rules. Students and families must comply with the School's health and safety plan, whether participating in virtual learning or in-person learning.

IMMEDIATE DISMISSAL

Maintaining the health and safety of every member of the Freire community is of utmost importance. I understand that in the event of a public health emergency, if my student begins showing signs or symptoms of an illness, I (parent/guardian) will do my best to accommodate the immediate dismissal of my student from school.

THERMAL IMAGING, TEMPERATURE CHECKS, AND ISOLATION

In an effort to keep the Freire community safe, students may be subject to thermal imaging camera screenings, temperature checks and, if presenting symptoms of a highly contagious illness, be placed in an isolation room in the building until they are able to be picked up by a parent/guardian. All information collected will be kept confidential to the extent required by applicable law.

EXTERNAL RECORDS SHARING WITH ONLINE PLATFORMS

By participating in the 1:1 Chromebook program, as with most software and websites, you are agreeing to the terms of use and privacy and data sharing provisions, including those of G Suite, Google Classroom, Zoom, Edmentum (Study Island), IXL, GoGuardian, Gaggle, etc.

RECORDING OF STUDENTS

By having your child participate in audio/visual virtual learning or in-classroom learning where a teacher may be recording for virtual learning students, you give consent for their likeness, voice, and statements to be recorded as needed for educational purposes. Participation constitutes your consent under any applicable privacy laws, including the Pennsylvania Wiretap Act (18 Pa.C.S. 5703).

VIRTUAL PARENT MEETINGS

In the current health environment, it is important that parents/guardians are able to participate in virtual parent meetings when necessary. This has been made possible by providing Chromebooks and ensuring every student has internet access. We ask that parents/guardians make every effort to attend and engage in virtual parent meetings in the same manner as a meeting in which they previously would have been called into the school to meet.

COMMUNICATION

It is crucial that the School is able to get in contact with all Freire students and parents/guardians, especially in the event of a global health emergency. It is critical that students and parents/guardians check and read their emails regularly and answer any texts or phone calls from the School in an all virtual environment.

REMIND APP

The Remind App is a free service that lets school staff and teachers send quick messages via text, push notifications, or email to everyone involved in the class or group. The school will be able to stay in touch without revealing any personal contact information.

Communication is essential to ensure the Freire community remains connected. If you decline to participate, or do not check your alerts, you may miss important information.

APPENDIX H: STUDENT CHROMEBOOK AGREEMENT

In addition to the technology and chromebook policies outlined in the student handbook, the following policies apply:

CHROMEBOOK ASSIGNMENT

Students are assigned a specific chromebook with a unique serial number that they are responsible for. Students should not swap or borrow chromebooks from one another. If a student is found to be in possession of a chromebook that is not assigned to them, the chromebook will be returned to the school. If a student is no longer in possession of their originally assigned chromebook, they will be responsible for paying the fee associated with a lost/missing/stolen chromebook.

FEES

If the following damages or losses occur, the parent/guardian is responsible for the following fees for repairs and/or replacements which must be paid according to the schedule determined by the school:

Chromebook Charger	\$15
Broken/Cracked Screen or Similar Repairs	\$50
Lost/Missing/Stolen Chromebook or Damage Beyond Repair	Replacement Cost of Chromebook (minimum \$100, not to exceed \$300)

Note: repairs due to defects or other technical issues will not incur charges or fees.

CARE OF CHROMEBOOKS

Students are responsible for the general care of the specific device they have been issued by the school:

- The device must remain free of any writing, drawing, stickers, other than any applied by Freire Charter School.
- The student has responsibility for keeping the chromebook in their possession and supervision at all times. If the chromebook is lost or stolen, replacement fees will be charged (minimum of \$100 and not to exceed \$300). Lost, missing, or stolen chromebooks must be reported to IT Support immediately.

BRINGING CHARGED CHROMEBOOK TO SCHOOL

Students are expected to come to school each day with a fully charged Chromebook. If their Chromebook battery is dead or they forget to bring their Chromebook, they WILL NOT receive another Chromebook for the day. In rare cases for exceptional circumstances (state testing, etc.) a loaner chromebook may be given at the discretion of staff. The student takes responsibility for this chromebook and may be charged fees for damage/loss of this chromebook as if it were their original assigned chromebook.

RETURN OF CHROMEBOOKS

The school reserves the right to require the return of the Chromebook at any time. The Chromebook must be returned if a student is unenrolled voluntarily or involuntarily or graduates. Should you fail to return the device within 30 days of the designated return date or if the device is damaged, you agree to pay up to the replacement cost of the Chromebook (minimum \$100, not to exceed \$300).

APPENDIX I: CELL PHONE & ELECTRONICS AGREEMENT

Phones are not to be used during school. Every student is assigned a personal Yondr Pouch. While the Yondr Pouch is considered school property, it is each student's responsibility to bring their Pouch with them to school every day and keep it in good working condition.

DAILY PROCESS

As students Arrive to School and before proceeding to classrooms they will:

1. Turn their phone off.
2. Place their phone inside their Pouch and secure it in front of school staff.
3. Store their Pouch in their backpack for the day.

At the end of the day, or if a student is permitted to leave campus for lunch, students will open their Pouch, remove their phone, close their Pouch and put it in their backpack. Students must bring their Pouch to school with them each day. Upon reentering the school building, the cell phone must again be pouched.

*Students arriving late or leaving early will pouch/unpouch their phones in the Main Office.

LEAVING CAMPUS AT LUNCH

If a student is eligible to leave campus for lunch, they are able to unlock their pouch and retrieve their phone for use outside of the building only. Upon return from lunch, students have to "repouch" their phones in the presence of a staff member, similar to the process of arriving to school at the beginning of the day.

VIOLATIONS

Pouch Damage / Lost Pouch / Using Phone During School

If a student damages their Pouch or is caught on their phone, Administration will collect the phone/Pouch and call home for:

- The Parent to come to the school and Pick Up their child's phone or the phone may be confiscated overnight
- Additional Consequences may include: Community Service / In-School Suspension / Detention

Examples of damage:

- Ripped
- Cut
- Torn
- Pen/pencil marks
- Bent/cut pin
- Signs of force to black button on flap

FORGOTTEN POUCH

If a student forgets their Pouch, their phone will be collected and Admin will call home to remind the Parent of the policy. The phone will be returned to the student at dismissal.

If a student consistently forgets their Pouch, it is considered lost and the student will need to purchase another pouch for \$20.

If any type of electronic device (phone, smart watch, headphones, etc.) is being used without authorization during the school day, the following consequences will be issues:

- First Offense: The teacher will take the phone and it will be returned at the end of class. The instance of misuse will be written up as a documented Tier I write-up. If the student does not comply or is defiant, there will be additional write-ups and a consequence will be issued.
- Second Offense: The teacher takes the phone and gives it to the Dean. The phone will be returned to the student at the end of the day.

- Third Offense: The student is put on a phone contract. The length of a phone contract can vary. Students will need to turn in the phone to a Dean at the start of the day and can only get it back after dismissal.
- Fourth Offense: The phone will be confiscated and will not be returned to anyone other than a parent/guardian or another adult listed in PowerSchool.

Refusal to surrender a requested cell phone or removing the SIM chip from the phone will be considered an act of extreme defiance and will result in the following actions:

- The student’s parent will be contacted immediately
- The student will be sent home for the remainder of the day
- A mandatory informal hearing will be held the next school day
- During this hearing the parent and student will be warned future behaviors like this may lead to more severe consequences
- One (or more) of the following consequences will be assigned:
 - Contract
 - Loss of school privileges
 - Community service

Freire Charter School is not financially responsible for property that a student voluntarily brings to school, including cell phones and other electronic devices, including in the event that property is lost, misplaced, or stolen. Although the school takes every precaution to store confiscated student electronic devices safely and securely, **Freire is not financially responsible for student electronic devices whether they are in the student’s or the school’s possession.**

Parental permission is required for these activities, so please express your wishes for the use of this student information (photos, video, testimony, work/achievements) below.

APPENDIX L: ATTENDANCE AGREEMENT

Please read below and write your initials next to each statement:

- _____ I understand that an excused absence is for official business only. Examples include, but are not limited to: court dates, death in family, medical appointments, etc. Excuses of this kind must be documented on official letterhead or back to work slips from a doctor, court, or other professional. Hand-written notes or parent notes will not be accepted as proof of official business. In addition, suspensions will be counted as excused absences.
- _____ I understand that I cannot earn higher than a 74% in a course if I accumulate 5 or more unexcused absences in one quarter. However, I can get my original grade restored at the discretion of a Committee of School Personnel if in the following quarter I show growth and do not exceed the attendance threshold.
- _____ I understand that 3 instances of lateness are equivalent to 1 unexcused absence.
- _____ I understand that if I accumulate 25 or more absences, I may be mandatorily retained regardless of my end of year grades at the discretion of the Head of School.
- _____ I understand that Pennsylvania regulation requires the school to remove any student from the roll who has accumulated 10 consecutive unexcused absences.
- _____ I understand that I will be considered truant after 3 truant absences, unless I provide the School with a written explanation of a legitimate reason for the absence within 5 school days of the absence. I understand that the purpose of such notes is to prevent a truancy citation and that parent notes do not excuse absences under Freire Charter School policy. I understand that truancy may result in a citation from Philadelphia Family Court and involvement from the Philadelphia Department of Human Services.
- _____ I understand that attendance is still equally important to learning and required by law during periods of virtual learning as it is for in-person instruction. I understand that the School will take attendance on all virtual learning days, and School policies regarding absences continue to apply to missed days of virtual instruction.

APPENDIX N: BULLYING POLICY ACKNOWLEDGEMENT

Pennsylvania law defines "bullying" as an intentional electronic, written, verbal or physical act, or a series of acts directed at another student or students that is severe, persistent or pervasive; and that has the effect of (i) substantially interfering with a student's education; (ii) creating a threatening environment; or (iii) substantially disrupting the orderly operation of the school.

Freire's Code of Conduct prohibits additional behaviors beyond the legal definition of bullying, which include:

- Verbal and physical taunting or intimidation against students or staff because of age, ancestry, citizenship, color, creed, disability, domestic or sexual violence victim status, ethnicity, familial status, gender expression, gender identity, genetic information, marital status, medical condition, national origin, race, religion, sex, sexual orientation, veteran status, or any other protected status.
- Acts occurring over the Internet (Snapchat, Instagram, etc.), through cell phones, cameras, or video, or by any other means through which people can communicate or share information
- Any unwanted, aggressive behavior among individuals that involves a real or perceived power imbalance and can be repeated over time, regardless of the intentions of the bully/bullies
- Taking a passive role as a bystander by encouraging the bully or willingly not taking any action to prevent the abuse from occurring

Freire takes a firm stance against bullying and is committed to address this negative behavior, as it is detrimental to the well-being of an individual, is a major disruption to the learning environment, and is damaging to the entire community.

Depending upon the facts and circumstances, **Freire may define bullying as an act of violence and therefore a violation of the Nonviolence Policy** (See Nonviolence and Commitment to Peace Policy). The Dean may then **make a recommendation for expulsion if it is deemed necessary**. In these cases, the Dean will be required to review the reason for the decision to the student and parent, Head of School, and the Board of Directors.

If there is a suspected violation of the Policy Against Bullying and Cyberbullying, the School will follow the disciplinary policies and procedures outlined in the Student and Family Handbook.
